The Strange Case of Donald J. Trump Dan P. McAdams, 2020-02-17 The Strange Case of Donald J Trump provides a coherent and nuanced psychological portrait of Donald Trump drawing upon biographical events in the subject s life and contemporary scientific research and theory in personality developmental and social psychology Dan P McAdams renowned psychologist who pioneered the study of lives examines the central personality traits personal values and motives and the interpersonal and cultural factors that together have shaped Trump s psychological makeup with an emphasis on the strangeness of the case that is how Trump again and again defies psychological expectations regarding what it means to be a human being The book s central thesis is that Donald Trump is the episodic man The chapters structured as stand alone essays each riffing on a single psychological theme build on each other to present a portrait of a person who compulsively lives in the moment without an internal story to integrate his life in time With an emphasis on scientific personality research rather than political rhetoric McAdams shows that Trump s utter lack of an inner life story is truly exceptional This book is a remarkable case study which should be of as much interest to psychologists as it is to readers trying to reckon with the often confounding behavior and temperament of the 45th President of the United States

Donald Trump, 2nd Edition Percy Leed, 2025-01-01 Donald Trump has been an unusual political leader ever since he was first elected to the US s highest office in 2016 President Trump s first term included more than twenty executive orders three US Supreme Court justice nominations and the first years of the COVID 19 pandemic Following his loss to Joe Biden in 2020 Trump continued to speak out and influence politics He maintained relationships with like minded political leaders and used social media and news channels to impact public opinion In his return as the Republican presidential nominee he revived his call to Make America Great Again In 2024 during a close often contentious race he succeeded over the incumbent vice president Kamala Harris becoming the oldest person ever elected US president and only the second ever US president to be elected to two nonconsecutive terms This updated biography covers President Trump s former life as a reality TV show star and real estate developer his political career and controversies and how he shaped his unconventional third campaign
