wobbly wire fence and into a new life He became useful again as a horse when he teamed up with the author who had always wanted a Belgian draft horse He immediately began to subtly influence her and other people who crossed his path The horse weighed one ton and was physically strong He was also kind and gentle with an uncanny manner of getting involved in the lives of the people he met Through trials and good times through laughter and tears this grand old horse conveyed many messages about life Horsepower A Memoir is a true story It s a passionate warm and humorous portrayal of an old horse s life as told by his last owner and friend Richly enveloped in a series of nostalgic flashbacks you will find yourself laughing and crying sometimes both on the same page as you read about his escapades and ponder your own experiences **Bones** Joe Tone,2017-08-08 The dramatic true story of two brothers living parallel lives on either side of the U S Mexico border and how their lives converged in a major criminal conspiracy Jos and Miguel Trevi o were bonded by blood and a shared vision of a better life But they chose different paths that would end at the same violent crossroads with considerable help from the FBI and an enigmatic all American snitch Jos was a devoted family man who cut no corners in his pursuit of the American dream Born in Nuevo Laredo a Mexican border town on a crucial smuggling route Jos was one of thirteen children raised by a hardworking ranch hand He grew up loving the sprawling countryside and its tough fast quarter horses but in search of opportunity he crossed the border into Texas to look for work as a bricklayer He kept his nose clean He stayed out of trouble Back in Mexico Jos s younger brother Miguel was leading a different life While Jos struggled to make ends meet Miguel ascended to the top ranks of Los Zetas a notoriously bloody drug cartel his crimes had become the stuff of legend and myth on both sides of the border He was said to have burned rivals alive murdered Mexican and American law enforcement officers and launched grenades at a U S consulate Jos married with kids and now a U S citizen gave every indication of rejecting his brother s criminal lifestyle Then one day he showed up at a quarter horse auction and bid close to a million dollars for a horse the largest amount ever paid for a quarter horse at an auction The humble bricklayer quickly became a major player in the quarter horse racing scene that thrived in the American Southwest and Mexico That caught the attention of an eager young FBI agent named Scott Lawson He enlisted Tyler Graham an American rancher who would eventually breed Jos s champion horse nicknamed Bones to help the FBI infiltrate what was revealing itself to be a major money laundering operation with the ultimate goal of capturing the infamous Miguel Trevi o Joe Tone s riveting exquisitely layered crime narrative set against the high stakes world of horse racing is an intimate story about family loyalty and the tragic costs of a failed drug war Compelling and complex Bones sheds light on the perilous lives of American ranchers the morally dubious machinery of drug and border enforcement and the way greed and fear mingle with race class and violence along America s vast Southwestern border Praise for Bones The true life tale of the Zetas foray into quarter horses is masterfully recounted a finely painted cast of characters Tone weaves the threads together with skillful pacing and sharp prose marking him as an important new talent in narrative nonfiction Tone adds some vivid details and digs deep into the colorful world of
