The Balkan Wars 1912 1913:

The Balkan Wars 1912-1913 Richard C. Hall, 2002-01-04 In *The Balkan Wars 1912 1913* Richard Hall examines the origins the enactment and the resolution of the Balkan Wars during which the Ottoman Empire fought a Balkan coalition of Bulgaria Greece Montenegro and Serbia The Balkan Wars of 1912 1913 opened an era of conflict in Europe at the beginning of the 20th century which lasted until 1918 and which established a basis for problems which tormented Europe until the end of the century Based on archival as well as published diplomatic and military sources this book provides the first comprehensive perspective on the diplomatic and military aspects of the Balkan Wars It demonstrates that because of the diplomatic problems raised and the military strategies and tactics pursued to resolve those problems The Balkan Wars of 1912 1913 were the first phase of the greater and wider conflict of the First World War *The Balkan Wars* Jacob Gould Schurman, 2009-01-01 For many countries in Europe the early twentieth century was a maelstrom of conflict as age old alliances and feuds shifted and realigned in response to modernity imperialism colonialism and myriad other variables In this wide ranging analysis of the Balkan Wars that erupted in 1912 and 1913 when Bulgaria Greece Serbia and Montenegro mounted a joint attack against the Ottoman Empire historian Jacob Gould Schurman assesses the aftermath and implications including the conflict s impact on the stirrings of turmoil that would later lead to the First World War ***The Balkan Wars, 1912-1913*** Jacob Gould Schurman, 1914 *A Concise History of the Balkan Wars, 1912-1913*, 1998 Kortfattet udgave af den gr ske krigshistorie med s rlig fokus p de to Balkankrige i 1912 og 1913 ***The Balkan Wars: 1912-1913*** Jacob Gould Schurman, 2023-09-17 *The Balkan Wars 1912 1913* by Jacob Gould Schurman Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format ***The Diplomacy of the Balkan Wars, 1912-1913*** Ernst Christian Helmreich, 1969 ***The Balkan Wars 1912-1913*** Jacob Schurman, 2014-12-06 This covers the crucial wars in the Balkans in 1912 1913 which brought in a host of European nations and was a prelude of sorts to World War I From the preface The interest in the Balkan Wars of 1912 1913 has exceeded the expectations of the publishers of this volume The first edition which was published five months ago is already exhausted and a second is now called for Meanwhile there has broken out and is now in progress a war which is generally regarded as the greatest of all time a war already involving five of the six Great Powers and three of the smaller nations of Europe as well as Japan and Turkey and likely at any time to embroil other countries in Europe Asia and Africa which are already embraced in the area of military operations This War of Many Nations had its origin in Balkan situation It began on July 28 with the declaration of the Dual Monarchy to the effect that from that moment Austria Hungary was in a state of war with Servia And the fundamental reason for this

declaration as given in the note or ultimatum to Serbia was the charge that the Servian authorities had encouraged the Pan Serb agitation which seriously menaced the integrity of Austria Hungary and had already caused the assassination at Serajevo of the Heir to the Throne No one could have observed at close range the Balkan Wars of 1912 1913 without perceiving always in the background and occasionally in the foreground the colossal rival figures of Russia and Austria Hungary Attention was called to the phenomenon at various points in this volume and especially in the concluding pages The issue of the Balkan struggles of 1912 1913 was undoubtedly favorable to Russia By her constant diplomatic support she retained the friendship and earned the gratitude of Greece Montenegro and Serbia and through her championship belated though it was of the claims of Roumania to territorial compensation for benevolent neutrality during the war of the Allies against Turkey she won the friendship of the predominant Balkan power which had hitherto been regarded as the immovable eastern outpost of the Triple Alliance But while Russia was victorious she did not gain all that she had planned and hoped for Her very triumph at Bukarest was a proof that she had lost her influence over Bulgaria This Slav state after the war against Turkey came under the influence of Austria Hungary by whom she was undoubtedly incited to strife with Serbia and her other partners in the late war against Turkey Russia was unable to prevent the second Balkan war between the Allies The Czar s summons to the Kings of Bulgaria and Serbia on June 9 1913 to submit in the name of Pan Slavism their disputes to his decision failed to produce the desired effect while this assumption of Russian hegemony in Balkan affairs greatly exacerbated Austro Hungarian sentiment That action of the Czar however was clear notification and proof to all the world that Russia regarded the Slav States in the Balkans as objects of her peculiar concern and protection

R. HOOTON,2017-01-24 The fuse to the First World War was lit in the Balkans where simmering hatreds exploded into violence Like a string of firecrackers these hatreds had been fuelled by attacks on the Turkish Ottoman Empire in the previous few years From 1911 1912 Italy seized Libya In 1912 the Balkan states united to drive Turkey out of Europe in the First Balkans War and in the following year in the Second Balkans War turned on each other in a division of the spoils which allowed Turkey to retain a foothold in Europe This was a war of land campaigns sea battles and amphibious operations in which the new military technology was first used Submarine and aircraft attacked ships aircraft made reconnaissance flights and bombed troops while even electronic warfare was used It also saw

mirror images of the events in the First World War Bulgarians driven from Salonika where an Allied army would later be contained and Turkish troops held back in the Dardanelles their guns driving off a naval task force These now forgotten wars were the overture to the First World War and yet they have overtones a century later The First World War saw echoes of these campaigns in Salonika and especially in the Dardanelles while the ethnic tensions would erupt into further bloodshed after the Cold War ended as Yugoslavia collapsed during the 1990s A Concise History of the Balkan Wars Ioannis Kyrochristos, 1998
