California in a Time of Excellence James Andrew LaSpina, 2009-02-26

California in a Time of Excellence follows the Golden State's efforts to reform its public school system from 1983 to the present. Beginning with progressive curriculum reform initiatives that were launched even before the National Commission on Excellence in Education (NCEE) issued *A Nation at Risk* in 1983, James Andrew LaSpina traces these reform efforts through recurring culture wars, major clashes of personality, and a conflict between the state's tradition of progressive educational policy and a culture of conservatism that colored much of the so-called Left Coast's history since the sixties. While the battles over curriculum reform in California reflect those at the national level, the political world surrounding this conflict reveals the enormous significance of the conflict and its implications for our national future. **Master the Culture** Vernon

Martin, 2010-06 The book *Master the Culture* reveals that culture has the power to control the meaning of reality. For some groups of people, these meanings make them superior, and for some groups, these meanings make them inferior. In many cases, the American culture is knocking minorities, in particular African Americans, out of the race before they can get started. However, by studying culture, you will see how it's been playing the citizens of the United States like a drum each and every day. To accomplish this goal, one must have the ability to view their own society and culture as a stranger would, rather than from the narrow perspective of personal experiences and cultural biases. In studying culture, it will reveal to you who benefits, who suffers, and who dominates at the expense of others. *Master the Culture* Vernon Martin attended the University of Colorado at Boulder, where he earned a degree in Business Administration with an emphasis in Human Resources. Previous to attending college, Vernon was the lead writer and rapper in the rap group *Edge of Elimination* and produced two CDs as part of the rap group, which sold more than 70,000 copies in the United States and Germany. In addition, he is a published songwriter of more than 30 songs. Vernon was an active member in AmeriCorps as a volunteer while attending college. Mr. Martin has a strong faith in giving back to the community and went to work for the Boys Scouts of America, in which he held the position of District Executive. The desire for educational excellence drove him to Regis University, where he earned his MBA in Marketing Strategies. Vernon is also a consultant and a motivational speaker. Vernon Martin lives in Colorado with his wife and three children. **Resources in Education**, 2001-10 *Investigations in the Workplace* Eugene F.

Ferraro, 2005-07-15 Whether you are a professional licensed investigator or have been tasked by your employer to conduct an internal investigation, *Investigations in the Workplace* gives you a powerful mechanism for engineering the most successful workplace investigations possible. Corporate investigator Eugene Ferraro, CPP, CFE, has drawn upon his twenty-four years of
