Detective Fiction in a Postcolonial and Transnational World Dr. Marc Singer, Dr. Nels Pearson, 2013-04-28. Taking up a neglected area in the study of the crime novel, this collection investigates the growing number of writers who adapt conventions of detective fiction to expose problems of law, ethics, and truth that arise in postcolonial and transnational communities. While detective fiction has been linked to imperialism and constructions of race, from its earliest origins, recent developments signal the evolution of the genre into a potent framework for narrating the complexities of identity, citizenship, and justice in a postcolonial world. Among the authors considered are Vikram Chandra, Gabriel García Márquez, Michael Ondaatje, Patrick Chamoiseau, Mario Vargas Llosa, Suki Kim, and Walter Mosley. The essays explore detective stories set in Latin America, the Caribbean, India, and North America, including novels that view the American metropolis from the point of view of Asian American, African American, or Latino characters. Offering ten new and original essays by scholars in the field, this volume highlights the diverse employment of detective fictions internationally and uncovers important political and historical subtexts of popular crime novels.

Our House in the Last World Oscar Hijuelos, 2024-04-09. A first-generation Cuban son comes of age in the debut and most autobiographical novel by the Pulitzer Prize-winning author of *The Mambo Kings Play Songs of Love*. Winner of the Ingram Merrill Foundation Award and the Rome Prize, Hector Santinío is the younger son of Alejo and Mercedes, who moved to New York from Cuba in the mid-1940s. The family of four shares their modest apartment with extended relatives in Harlem, where homesickness and nostalgia are dispelled by nights of dancing and raucous parties. But life's realities are nevertheless harsh in the Santinío family's adoptive land. When Mercedes takes Hector and his brother to visit Cuba to better know her culture, Hector contracts a serious illness that leads to a terrifying period of hospitalization back in the United States, where isolated from his family, he loses much of his ability to speak Spanish. And it is this fracturing that sparks a lifelong quest to not only reconcile his Cuban identity with his American one but to also understand his parents' ambitions and anxieties within the country at large. In this profoundly moving account of immigrant life, Oscar Hijuelos displays once again his mastery over both character and language and sets readers on an unforgettable journey of hope, longing, and self-discovery. Includes a Reading Group Guide.
