four years old his father Alfred pressed record on a tape player next to his hospital bed He began leaving messages for his
wife three children and anyone who wanted to know why his terminal cancer at age thirty eight wouldn't shake his faith If
God told me to walk into a fiery furnace I'd do it he said perhaps knowing that he would not walk back out In *Wake Sleeper*
Parys tries to understand his father's deathbed fire in the context of a Christian childhood that taught him about eternity
Unspoken feelings of doubt lead Parys toward an inner life where he is allowed to question provoke and search for beauty in
the void of grief Through the lens of his upbringing in a Christian school and the church that met in the school gymnasium
that inner voice emerges in *Wake Sleeper* The grief of his past contrasts with the tension of his search to fit in told as a

Hymnody Historical and Theological Introductions is a 60 chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of Hymns and Hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature
