

5 KEY ELEMENTS OF A CHURCH WELCOME SPEECH

1. A Simple Intro

Start with a warm greeting. Introduce yourself and the church. This can be as simple as *"Good morning and welcome to Grace Church. I'm Abi and it's great to see you all!"*

2. Set Expectations

Tell everyone what's going to happen. There's no need to break down the whole service, a quick overview is enough. This is a good time to mention your sermon series or if you have a special guest speaker.

3. Give Helpful Info

Give people the information they need to relax and feel comfortable. Gently remind people to put mobile phones on silent and point out where the bathrooms are.

4. Welcome Visitors

Take a moment to welcome first-time guests. Tell them you're glad they're here. Ask them to fill out a connect card and pop it in the offering basket as it passes.

5. Say What's Next

Now you've officially opened, it's time to pray together and smoothly transition into the next part of the service.

Worship as Community Drama Pierre Hegy, 2019-03-22 Church weddings funerals and most Sunday services reflect the values and dramas of their communities even when the ministers are the main or sole actors This point is illustrated by examples ranging from American television masses to the Zairean three hour services in the Congo Of greatest interest to readers might be the Sunday services at ordinary parishes which also range from friendly but uninspiring to innovative and inviting There are also two exceptionally vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution
