Watson, 2022-04-01 INTRODUCTION And why I wrote this book Dear Reader When I wrote Sissy Central and then Sissy gasm Central a couple of years back well one in 2020 one in 2021 I had no idea how popular they were going to turn out to be especially the former Sissy Central is truly a bestseller in the true sense of the word so many people have read it loved it and lots have even bought paperbacks That is when you know someone is SERIOUS about books and the content in them Think about it It's one thing to have fiction sitting on your mantelpiece for all and sundry to see but Sissy Central or any of my other courses That is what you call COMING OUT PROUDLY as I do and have all my life being unapologetic about it and it makes me so happy more and more people are living out their dreams and fantasies in a SSC safe sane and consensual manner Anyway despite books on worshipping other parts of the body galore I haven't written books on two of the most popular body parts out there Knowing me you might find it strange but I haven't written manuals on how to worship FEET as yet Hehe Although anyone that reads any of my stories will know how to do it very well Talk to her soles boy not her or his And despite having written manuals on ball busting cock worship nipplegasms sissygasm cuckolding sissy dom and more for some reason I hadn't touched upon ass worship as yet We're rectifying that here today Today as Madam Megan turns me into her dream sissy which I would be anyway hehe but she has taken the makeup to a different level altogether as my Twitter followers can see I feel compelled to write one of the books that I've been putting off for a while but as I thought of the smell of rank sweaty or even washed ass that never goes away from tongue no matter what you do or how much you floss as I

thought about BEGGING to do Megan s husband s laundry as I thought about all the dick sucking I ve been doing as of late hence Cock Worship for Sissies and Faggots I figured I d finally put this one out And with right cause ass worship is a very popular theme for a lot of you Now you might ask why I need to put out another book on it especially after the roaring and resounding success that Sissygasm Central is Good question but it s easy to answer this one Sissygasms can ultimately only be gotten by biological men whether submissive or not or in the middle NOT by females Females simply don t have a P Spot simple Ass worship though is equally pleasurable for females since both men and women have so many nerve endings back there though yes sissygasms make it FAR more pleasurable for men as they literally give men repeated female orgasms without stopping and FAR more the mental aspect of it is the real kicker as is the continued feeling of lust you feel just like a woman So sissygasms are more BDSM oriented than anything else though you can use them in regular sex etc as well and mostly for men the pleasure But this book will work for BOTH men and women More importantly in Sissygasm Central I did NOT focus on the prelimins of the actual ASS worship part The buttcheeks the lovely smelly ass CRACK the way his balls look from down there the way her PUBES flicker from there the way the asshole opens up so INVITING the way it looks so PINK down there the SMELL the way you SMOOCH it OH MY I realized that in the book above I gave a lot of importance to the P spot and way too less to the overall ass but thats fine That is what the book was about THIS book focuses on the ass period THIS book is the 101 to Sissygasm Central if I might say that THIS book is for you ass lovers out there THIS book is really what you SEE when you first see ass and want to KISS it worship every INCH of those regal BUTTCHEEKS THIS book will work for preferences and tastes across the spectrum You do not need to be into BDSM to enjoy the benefits of rimming or the sheer pleasure that comes from it or alternatively if you re into that from doing it Ladies and men can use and apply and enjoy these tips equally And that is why I wrote this book another gem to add to our rapidly growing collection I remember an old editor of mine once saying Jesus Mike At this rate we ll have to create another library just for you He s a great guy as is his partner They were who gave me my first start although I d have done all this without them ultimately there is nothing that beats the confidence an editor gives you when you write your FIRST book which in terms of femdom for me was Serving an Indian Goddess by saying this would make a FINE collection to our femdom store and the little tips etc I picked up Thank you again Phil and Steve And without further ado the SMELL that prompted me this morning The acid smell of RANK sweaty or even washed ass It s different isnt it In the book The White Tiger later actually made into a movie by the gorgeous Priyanka Chopra well she acted in it and some of the scenes you cucks and sissies would LOVE the way the servant is humiliated sad but true happens in real life the writer made a statement to the effect of Once the smell of another man s feet gets on your hands you never really wash it off Or something like that this was after giving his employer foot massages for hours washing his feet repeatedly while he relaxed drank whiskey sort of the same thing I used to do so much for Priyanka in Serving an Indian Goddess He s right to a degree I d take it to another level and say once the smell of RANK ass ass cracks

and assholes gets your breath and tongue there is no washing it off Often times after lengthy ass worship sessions I ll thoroughly brush my teeth floss etc some girls have giggled about it but hygiene first I do it without any saran wrap etc I prefer to put tongue direct for max feeling for HIM and HER It s so NICE And worshipping that lovely rump there s so many ways to do it especially if it s Madam Megan s husband Ma am can I wash his dirty laundry I keep asking her in a beseeching tone which she laughs uproariously You gay But his ass crack is especially hairy YUM So many ways to worship ass but it all starts with kissing the lovely luscious butt cheeks like they were God or Goddess Kissing every INCH of them thanking them Inhaling the BREATH from them penis breath I d say ass breath too Hehe Having her or him literally sit on your face And of course my favorite putting my tongue deep deep in literally tongue fucking her or his asshole and if its a his pretend to reach his lovely P spot you wont be able to do that but the further in it goes the more you work the more he enjoys Licking the perennial region for men comes naturally with it So many different ways to worship ass I just told you three What remains same That rank sweaty smell Even if it s a freshly washed ass or asshole that smell of buttcheeks sticking together always there And that is what I was thinking of this morning Oh my If you re into ass worship the Pooja Memsahib and Indian Goddess series the sequel really gets into it will DO it though a lot of my Chinese femdom books are heavy on ass worship too It s just so nice for her and him They just lie there enjoy and if its a man you get to worship his cock and balls too from down there Or she does while you service his ass Its humiliating to an extreme it gives them extreme pleasure and sissies and cucks explode at the very thought of it What more could one want And that my friend is enough said isnt it Lick his ass first BOY Before ANYTHING ELSE boy BEG first beg for the sheet and utter HONOR A few moons ago I was with Madam Su you remember her don t you If you can t satisfy me in bed I ll have other men but you can t have other girls The one lady that I ll always remember no matter what and it isn t so much the lovely long legs or the various hues shapes and sizes of cocks she preferred sometimes multiple cocks at one time all night long but her thinking If you recall correctly that was the first thing or one of the first things she said to me upon chatting with me online and if that in itself isn t a testament to how VIBES are what it s really about then I don t know what is So there I was in front of her and her lover his juicy cock dangling in front of me so far yet so near his manhood starting to rise his tumescence starting to swell in that ever so sexy manner and the head that lovely smooth black cock head right in front of me with Su staring STRAIGHT at me in that lovely dominant and most erotic manner Go ahead boy You know you want to kiss it before sucking it Truer words were never thought at that point at least albeit not said but words aren t necessary at the best of times as I ve often said in my writings And as I leant forward to start worshipping that lovely cock of his she stopped me as he laughed Not so quickly boy Show him you deserve it she cackled patting my head as you might a pet dog I was so infused with lust at the time that I didn t know what to say except gaze at that wondrous juicy schlong in front of me and this of course turned her on even more Lick his ass first boy Now this wasn t the first time I had licked another man s ass but it was certainly the first time I had done so when commanded by a

Dominant lady and as I stuck my tongue deep deep inside his crevice probing and searching flicking and teasing he moaned in pleasure and I instinctively took my tongue and slid it across his perennial region lapping his balls as I did so This by the way is one of the most erotic things you can do to a male Many years ago and I believe I wrote about this in Sin City Diaries Volume 1 I had this done to me and I still remember the look on relief on the lady s face when it was obvious I was going to kiss her feet after she rimmed and not have sex with her Those experiences were all once in a lifetime experiences and a must read and if you haven t already grab the book but for now remember that the test of a true cuckold isn t necessarily how well he sucks dick or his love or hate for it but how well he SERVES It s all about serving her and her love for cock And it s all about serving HIM and making sure he s as turned on as ever but not necessarily because he likes it It s because that cock can then service her multiple times as she deserves and that s what it s really all about And to me if it involves licking his ass and balls I d love to do it and I enjoyed doing it the first time Su made me do it though I must admit that massive cock plunging in and out of her as she screamed in sheer bliss was what I loved the most and this was of course one of the bedrocks on which that particular relationship was built It s all always about serving her and her lovers and that s what true servitude and being a true cuckold is all about And if you haven t already make sure to pick up your copy of Cuck Central after you re done grabbing THIS book Benefits of ass worship for the sub sissy faggot plain ole rimmer Extreme humiliation bar none You re literally worshipping their sewers and in some cases what comes out of it in very creative inventive manners A humiliation rush that comes like with NO others believe me while you re simply staring at ass not even being allowed to worship it before groveling first before your lips touch SKIN OH MY You ll feel like less than nothing boy which is the entire point Satisfy your Master and Mistress like never before Ass worship done right is one of the most pleasurable things for both men and women sexually they rest relax while you do all the work and it feels great Even if you aren t into BDSM rimming can and should play a part in your regular sex life and this book and the tips show you how to do it You might hear her call you a sissy faggot Bozo and the rest but you sissy will NEVER hear her say he doesn t plesase me again Trust me when you re licking his or her rosebud for hours on end so much so that you re breathing in their anal air their farts your talking to their assholes neither a stud nor Madam will complain you don t please them They might keep shoving your head in but thats the point ain t it Get to know their assholes better than them boy Talk to their assholes be humiliated like never before Their assholes are better than YOU They DESERVE more respect and pleasure than you subbie will EVER EVER GET Femdom or maledom and serving is all about respect And the more you worship ass the more naturally respectful you ll get of women or male studs in general Youll remember its all about them and NOTHING ELSE which is as it should be For male asses you ll have the added benefit of being allowed to go to that holy grail of worship COCK worship but only after their butts have been done Subs love to watch sex but not HAVE sex and here with ass worship you ll be nose deep in her and his ass while they re doing it this is a cuckold rush like NO other Trust me on this this ONE part of it is worth the entire prices of

admission you ll literally explode like a geyser while doing it no touching sissy cock required either Your neck and tongue will become much stronger though you might not think thats a benefit that tongue and mouth will get more practice for licking her and sucking his cock just due to the positions involved And much much more Truly a TURN on for subs is ass worship but you know that already Hehe Benefits of ass worship for the studs or ladies getting it done And I ve been there too so I know Experience the sheer pleasure and bliss that comes from having your anal passage thoroughly tongued the feeling is INDESCRIBABLE and when done without saran wrap as you relax OH MY For you guys out there if you re getting your cock sucked or balls or nipples played with or progressing up to a sissygasm its HEAVEN For you ladies equally so There have been so many times I ve licked my S O s ass for hours while fingering hours alternately licking her down there too no it s not dangerous in terms of germs if you are clean otherwise Youll feel like SUPERMAN or SUPERWOMAN and in total utter control Believe me the very feeling of yelling out lick my ass boy or lick his ass first boy gives you TOTAL AND UTTER mental control over your sub that is a rush only those in the know will know You ll find it easy to move your sub s limits to the next level possible once you get him or her comfortable with ass worship You ll also find it very easy to incorporate ass worship along with other forms of body worship as you ll learn about below Perhaps most importantly the mental dominance will be forever SEARED into your mind Believe me even normal couples once ass licking is involved the partner getting it more will naturally expect it more and be MORE Dominating Get your sub to perform debasing tasks like cleaning your ass after you go Lets face it that is a rush unto itself You might literally cum from the rush of watching your sub literally worship you while performing the lowliest of tasks and thanking you for it literally saying thank you Some of you folks have issues about body shape body shaming etc well believe me on this one whether your slim or fat whether you re in shape or not the CONFIDENCE Boost you get from having your ass and asshole worshipped on a regular basis nothing comes close no other activity You re a Goddess or God it doesn t get any better than this does it And much much more If I could sum it up for Doms and Dominans in one word it would be this total and utter CONTROL both mental and physical but it starts from the mental Well my friend that truly is enough said on this one Like with all our other books and manuals this one will make a FINE FINE addition to your collection Get it NOW

**Strong and Hard Women** Tanya Bunsell, 2013-04-12 Females with large muscles evoke strong reactions from men and women often involving disgust discomfort anger and threat The controversial nature of female bodybuilding has caused a significant rupture on feminist ground Whilst proponents claim that female bodybuilding is a way of empowering and liberating women others see it as a form of corporeal entrapment This book investigates the controversy Do women who pump iron resist physical restrictions of imposed femininity or are they engaged in an ultimately oppressive quest for perfect bodies In an original two year ethnographic study based in the South of England Tanya Bunsell immersed herself into the world of female bodybuilders By mapping these extraordinary women s lives the research illuminates the pivotal spaces and essential lived experiences that make up the female bodybuilder Whilst the

women appear to be embarking on an empowering radical body project for themselves the consequences of their activity remains culturally ambivalent This research exposes the Janus faced nature of female bodybuilding exploring the ways in which the women negotiate accommodate and resist pressures to engage in more orthodox and feminine activities and appearances This book will be of interest to academics and students in the fields of gender studies the sociology of sport the body and research methodology
