 moral filth is on the rise Even though this is something we re all quite aware of what most of us do not realize is that the
 cause of this destructive behavior stems from evolutionary teachings You see what a person believes determines how they
 behave So if we teach our kids that they supposedly came from an ape then why are we surprised when they act like apes
 Therefore A Special Creation takes a look at not only the Scriptural facts but the hardcore facts of science reason and logic to

 created us for a special purpose to enjoy a special relationship with Him But not only that you will actually hear direct quotes
 from the evolutionists themselves saying that yes we very well could have A Special Creation **The Century Dictionary
