Russian Literature and Its Demons Pamela Davidson, 2000 Merezhkovsky's bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping contexts of literary demonism the Russian Orthodox and folk tradition the demonization of historical figures and views of art as intrinsically demonic The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok Akhmatova Bely Sologub Rozanov Zamiatin and through to the end of the 20th century

Russian Literature and the Classics Peter I. Barta, David H. J. Larmour, Paul Allen Miller, 2013-12-02 *Russian Literature and the Classics* attempts to fill a gap To date there has been no book length systematic study of the impact of antiquity on Russian literature and culture While by no means claiming to offer a comprehensive approach the authors focus on various aspects of the influence which the Classics have had on Russian literature at particularly significant junctures the beginning of the nineteenth century the age of the great Russian realist novel the Silver Age Stalin's terror the Thaw after 1956 and the period just before the collapse of Soviet society In their introductory essay the editors offer an overview of the Classical Tradition In it they provide an insight into the contrasting ways in which that tradition manifested itself in the literatures of Western Europe and of Russia

Pilate and Yeshua and the murder of Judas in the garden of Gethsemane unfold At the intersection of fantasy and realism satire and unflinching emotional truths Mikhail Bulgakov's classic *The Master and Margarita* eloquently lampoons every aspect of Soviet life under Stalin's regime from politics to art to religion while interrogating the complexities between good and evil innocence and guilt and freedom and oppression Spanning from Moscow to Biblical Jerusalem a vibrant cast of characters a magician who is actually the devil in disguise a giant cat a witch a fanged assassin sow mayhem and madness wherever they go mocking artists intellectuals and politicians alike In and out of the fray weaves a man known only as the Master a writer demoralized by government censorship and his mysterious lover Margarita Burned in 1928 by the author and restarted in 1930 *The Master and Margarita* was Bulgakov's last completed creative work before his death It remained unpublished until 1966 and went on to become one of the most well regarded works of Russian literature of the twentieth century adapted or referenced in film television radio comic strips theater productions music and opera **Vladimir**

Sorokin's Discourses Dirk Uffelmann, 2020-04-21 Vladimir Sorokin is the most prominent and the most controversial contemporary Russian writer Having emerged as a prose writer in Moscow's artistic underground in the late 1970s and early 80s he became visible to a broader Russian audience only in the mid 1990s with texts shocking the moralistic expectations of traditionally minded readers by violating not only Soviet ideological taboos but also injecting vulgar language sex and violence into plots that the postmodernist Sorokin borrowed from nineteenth century literature and Socialist Realism Sorokin became famous when the Putin youth organization burned his books in 2002 and he picked up neo nationalist and neo imperialist discourses in his dystopian novels of the 2000s and 2010s making him one of the fiercest critics of Russia's new middle ages while remaining steadfast in his dismantling of foreign discourses **The Image of Christ in Russian**

Literature John Givens, 2018-05-29 Vladimir Nabokov complained about the number of Dostoevsky's characters sinning their way to Jesus In truth Christ is an elusive figure not only in Dostoevsky's novels but in Russian literature as a whole The rise of the historical critical method of biblical criticism in the nineteenth century and the growth of secularism it stimulated made an earnest affirmation of Jesus in literature highly problematic If they affirmed Jesus too directly writers paradoxically risked diminishing him either by deploying faith explanations that no longer persuade in an age of skepticism or by reducing Christ to a mere argument in an ideological dispute The writers at the heart of this study understood that to reimagine Christ for their age they had to make him known through indirect even negative ways lest what they say about him be mistaken for cliché doctrine or naïve apologetics The Christology of Dostoevsky Leo Tolstoy Mikhail Bulgakov and Boris Pasternak is thus apophatic because they deploy negative formulations saying what God is not in their writings about Jesus Professions of atheism in Dostoevsky and Tolstoy's non-divine Jesus are but separate negative paths toward truer discernment of Christ This first study in English of the image of Christ in Russian literature highlights the importance of apophaticism as a theological practice and a literary method in understanding the Russian Christ It also emphasizes the importance of skepticism in

Russian literary attitudes toward Jesus on the part of writers whose private crucibles of doubt produced some of the most provocative and enduring images of Christ in world literature This important study will appeal to scholars and students of Orthodox Christianity and Russian literature as well as educated general readers interested in religion and nineteenth century Russian novels *Historical Dictionary of Russian Literature* Jonathan Stone,2013 The Historical Dictionary of Russian Literature contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 100 cross referenced entries on significant people themes critical issues and the most significant genres

The Great War in Russian Memory Karen Petrone,2011-07-14 Karen Petrone shatters the notion that World War I was a forgotten war in the Soviet Union Although never officially commemorated the Great War was the subject of a lively discourse about religion heroism violence and patriotism during the interwar period Using memoirs literature films military histories and archival materials Petrone reconstructs Soviet ideas regarding the motivations for fighting the justification for killing the nature of the enemy and the qualities of a hero She reveals how some of these ideas undermined Soviet notions of military honor and patriotism while others reinforced them As the political culture changed and war with Germany loomed during the Stalinist 1930s internationalist voices were silenced and a nationalist view of Russian military heroism and patriotism prevailed **Reading Russian Literature, 1980-2024** Otto Boele,Dorine

Schellens,2024-10-09 This edited collection focuses on the nexus between literary consumption memory and collective identity formation in Russia from the 1980s until today It challenges perceived notions about the reduced social significance and identity building potential of contemporary Russian literature Drawing on a diverse set of primary source materials ranging from memoirs diaries and essays to fan art and BookToks the collection seeks to do justice to the diversity of an

enormous reading public that is often routinely referred to as the Russian reader The case studies explore the reading habits and self understanding of very different audiences that are dispersed along regional gender generational and technological divides In doing so this collection examines both the continuities and shifts in the multifaceted relationship between literary consumption memory and identity during the profound and ongoing transformations in Russian society and its literary landscape **Beacham's Encyclopedia of Popular Fiction: Achebe-Gaddis. v. 2.
