

The Merchant Of Feathers Caribbean Modern Classics

Thomas Griffiths

The Merchant Of Feathers Caribbean Modern Classics:

The Merchant of Feathers Tanya Shirley, 2014 In her second collection of poetry author Tanya Shirley uses a mixture of acute observation outrage and outrageousness to present stories that have their finger on the pulse of contemporary Jamaica in all its exuberance and brokenness Speaking honestly and powerfully about the experiences of women these poems are written with a lyric and sensual attention to both the public and the private in the Caribbean **American Baroque** Molly A. Warsh, 2018-03-20 Pearls have enthralled global consumers since antiquity and the Spanish monarchs Ferdinand and Isabella explicitly charged Columbus with finding pearls as well as gold and silver when he sailed westward in 1492 American Baroque charts Spain's exploitation of Caribbean pearl fisheries to trace the genesis of its maritime empire In the 1500s licit and illicit trade in the jewel gave rise to global networks connecting the Caribbean to the Indian Ocean to the pearl producing regions of the Chesapeake and northern Europe Pearls a unique source of wealth because of their renewable fungible and portable nature defied easy categorization Their value was highly subjective and determined more by the individuals free and enslaved who produced carried traded wore and painted them than by imperial decrees and tax related assessments The irregular baroque pearl often transformed by the imagination of a skilled artisan into a fantastical jewel embodied this subjective appeal Warsh blends environmental social and cultural history to construct microhistories of peoples wide ranging engagement with this deceptively simple jewel Pearls facilitated imperial fantasy and personal ambition adorned the wardrobes of monarchs and financed their wars and played a crucial part in the survival strategies of diverse people of humble means These stories taken together uncover early modern conceptions of wealth from the hardscrabble shores of Caribbean islands to the lavish rooms of Mediterranean palaces Blowin' Hot and Cool John Gennari, 2010-09-15 In the illustrious and richly documented history of American jazz no figure has been more controversial than the jazz critic Jazz critics can be revered or reviled often both but they should not be ignored And while the tradition of jazz has been covered from seemingly every angle nobody has ever turned the pen back on itself to chronicle the many writers who have helped define how we listen to and how we understand jazz That is of course until now In Blowin Hot and Cool John Gennari provides a definitive history of jazz criticism from the 1920s to the present The music itself is prominent in his account as are the musicians from Louis Armstrong and Duke Ellington to Charlie Parker John Coltrane Roscoe Mitchell and beyond But the work takes its shape from fascinating stories of the tradition s key critics Leonard Feather Martin Williams Whitney Balliett Dan Morgenstern Gary Giddins and Stanley Crouch among many others Gennari is the first to show the many ways these critics have mediated the relationship between the musicians and the audience not merely as writers but in many cases as producers broadcasters concert organizers and public intellectuals as well For Gennari the jazz tradition is not so much a collection of recordings and performances as it is a rancorous debate the dissonant noise clamoring in response to the sounds of jazz Against the backdrop of racial strife class and gender issues war and protest that has

defined the past seventy five years in America Blowin Hot and Cool brings to the fore jazz s most vital critics and the role they have played not only in defining the history of jazz but also in shaping jazz s significance in American culture and life

Books in Print ,1952 Poéticas Comparadas de Mujeres ,2022-04-11 Este libro abre nuevos caminos e inaugura la disciplina de la po tica comparada de mujeres Contribuye decisivamente al estudio de la poes a la literatura comparada y los Women s Studies al ir m s all de los l mites de estas reas en la historia literaria y cr tica occidental El volumen aborda una gran variedad de mujeres poetas que entran en di logo a trav s de m ltiples niveles comparativos en cada cap tulo y permite conexiones globales entre obras po ticas y enfoques te ricos De gran utilidad para visibilizar y discutir la relaci n entre las poetas de los siglos XX y XXI propone una nueva metodolog a innovadora Po ticas comparadas de mujeres plantea la incorporaci n de una nueva rea esencial y urgente a los Estudios Literarios actuales This book breaks new ground and inaugurates a discipline that of Comparative Women's Poetics It makes a strong contribution to the study of poetry comparative literature and women's studies by going beyond the disciplinary boundaries as they stand in Literary Studies in the west By addressing an impressive range of authors brought into dialogue through multiple comparative levels in each chapter it allows for global connections among poetry works as much as theoretical approaches This volume proves extremely useful to bring visibility and to discuss relationally many 20th and 21st century poets with a new innovative methodology Po ticas comparadas de mujeres argues for an essential and timely addition of this new discipline to Literary Studies now Books in Print Supplement, 1982 The Publishers Weekly ,2001 Books Out-of-print ,1986 Atlanta ,2003-12 Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region The Century Cyclopedia of Names Benjamin Eli Smith, 1905 The Century-Cyclopedia of Names Smith, 1894 The Century Dictionary and Cyclopedia: The Century cyclopedia of names, ed. by B.E.
