## **The Messiah Code:**

**The Messiah Code** Bob Mitchell, 2014-11-19 Did God encode the identity of the Messiah within the names and events recorded in the Old Testament Did he also bypass the understanding of the Old Testament authors and place the identity of the Messiah within the ancient Hebrew Pictographs in such a way that the message could only be accomplished by a Divine hand This book reveals God as the author of the Old Testament with stunning evidence that only the most die hard sceptic will deny **The Messiah Code** Michael Cordy, 2004 **The Messiah Code** C. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book

features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics

perfection of progress Artificial intelligence governs daily life with an unblinking eye Algorithms determine truth Emotions are measured behavior is monitored and history has been rewritten in favor of the collective There is no need for prayer the authorities say because the System provides There is no room for faith because the future has no place for the past In this sleek sanitized society religion is classified as legacy code dangerous divisive obsolete The Bible is banned Churches have been converted into data hubs Worship is punishable by law and believers are branded as threats to unity Humanity once made in God s image is now being remade in the image of machines But not all have bowed to the silicon idol A scattered remnant lives in the shadows guided by truth they refuse to surrender Among them is a former tech engineer turned covert disciple With neural implants drones and surveillance closing in he risks everything to spread the message of Jesus Christ through encrypted networks and hidden sanctuaries Each step he takes is a step deeper into danger and deeper into the mystery of what it truly means to be human The Digital Disciple is a speculative dystopian novel that explores the battle between spiritual truth and technological control It s a story of courage in the face of conformity light shining in manufactured darkness and the undying hope that God s voice can still be heard even through the noise of machines As the world chooses between convenience and conviction comfort and the cross the question remains Will faith survive the future
