The Mystery And Miracle Of New Birth:

The Mystery and Miracle of New Birth Uche C. Ekeh, 2014-10-05 Redemption for all of humanity has been made available to all through one Man Jesus Christ Salvation is a free and unmerited gift to man from the throne of grace Nonetheless the price of the cross was indeed costly A true relationship with God through Jesus Christ involves more than following a free style doctrine Jesus said Most assuredly I say to you unless one is born again he cannot see the Kingdom of God Jn 3:3 The immediate goal of being born again is to see the Kingdom of God Yet there is an issue of blindness among believers that must be resolved It is not enough be saved join a church or even to become a missionary although these are noble things Undeniably there is a distinct journey for each individual in Christ but one thing that applies to all Christians is the need for obedient adherence to the principles in the Scriptures While some may practice a permissive theology the true sons and daughters of God ought not to cherry pick through the Scriptures to find what they are willing to apply in their own lives Reject one part of the Word of God and you must reject it all or else embrace it all and live it The institutional church with its numerous denominations has no soul to be transformed but each believer does Jesus died to save individual believers not denominational entities God adopts common individuals and they become His unique sons and daughters The Mystery and Miracle of New Birth is for believers who desire to know and practice sound biblical doctrine because doctrine matters

Jesus Is the Best Thing That Ever Happened to Humanity Uche C. Ekeh, 2019-05-23 Before Jesus came earth more than two thousand years ago according to Christian calendar God as a name was representative of all deities in all religions Then came Jesus the Second Person in the Trinity the Son God and the Savior of all mankind with a revelation of the love of God for humanity and His will for those who would obey the gospel of Jesus Christ and also for those who would reject Him That is why He came to restore paradise back to humanity which it lost through Adam's sin In Jesus the Christ what humanity lost because of the sin of Adam is now recovered and restored to it only in Christ This book is given to be written to highlight that purpose God is calling all humanity by His only begotten Son to return to its Maker The heart of the Father is pleased with the sacrifice of God the Lamb of God which was slain from the foundation of the world That Jesus is the answer to everything which ails humanity is more profound than a slogan definitely more pristine than a lyric but certainly a truth that needs no emendation Uche C Ekeh holds a BBA degree in accounting from the University of the District of Columbia Washington DC an MA in Biblical Studies from Regent University in Virginia Beach Virginia a MEd in School Administration from Columbia International University in Columbia South Carolina Also Mr Ekeh holds an Ed S in School Policy and Leadership from the University of South Carolina in Columbia South Carolina He is the author of Words of Wisdom are Words of Life Presently he works with Pastor Mike Brewer at Bible Temple Church in Toledo Ohio where he currently resides

Hannah Arendt's Philosophy of Natality Patricia Bowen-Moore, 1989-10-13 Great Preaching on Salvation Curtis Hutson, 2000-08 **Sermons** William Aldwin Soames (M.A.), 1867 **The Zondervan 2019 Pastor's Annual** T. T.

Crabtree,2018-07-24 Countless preachers have turned to the Zondervan Pastor s Annual to save them time in sermon and service preparation This tried and true resource makes your demanding job as a pastor a lot easier Use its contents as is or tailor it to fit your unique approach The Zondervan 2019 Pastor s Annual supplies you with Morning and evening services for every Sunday of the year Sermon topics and texts fully indexed Definitive and usable sermon outlines Devotionals and Bible studies for midweek services Fresh and applicable illustrations Appropriate hymn selections Special day services for church and civil calendars Meditations on Lord s Supper observance Wedding ceremonies and themes Funeral messages and Scriptures Basic pastoral ministry helps Messages for children and young people Offertory prayers *The Truth of the Gospel* Alisa Weir,2025-01-03 A deep spiritual hunger is leading Christians to identify themselves with the God of their forefathers Abraham Isaac and Jacob As more people find meaning in the Hebraic roots of their faith Christians are beginning to keep the Sabbath and the feasts of the Lord However talking about keeping the Sabbath often brings a response from others in the Christian community Some might say we are not in bondage to the law while others quote the Apostle Paul and say We are not under the law but under grace What was Paul talking about When Paul said that we are not under the law but under grace did that mean we are above the law What about the Ten Commandments If we keep the Sabbath will that bring us into bondage And why did Paul tell the Galatians that they were foolish and even bewitched **Miracles Do Happen** Wayne Jackson,2005 Are you faced with an overwhelming crisis Do not drown yourself in despair Impossible situations are a perfect opportunity for God to let loose His supernatural power Rest assured Miracles Do Happen and they are meant for you too Some people reject signs and wonders as a ministry only for Bible days but the Lord loves turning tragedy into triumph Debt disease or any other dead circumstance should not defeat you any longer Learn how to reach out in faith and fight for your miracle God s awesome saving grace is for yesterday today and forever The United Presbyterian ,1905 *How Can I Change?* Robin Boisvert,C. J. Mahaney,1993 Originally titled From glory to glory T p verso *The Pacific* ,1904 The Drama of Atheist Humanism Henri de Lubac,1995 De Lubac traces the origin of 19th century attempts to construct a humanism apart from God the sources of contemporary atheism which purports to have moved beyond God The three persons he focuses on are Feuerbach who greatly influenced Marx Nietzsche who represents nihilism and Comte who is the father of all forms of positivism He then shows that the only one who really responded to this ideology was Dostoevsky a kind of prophet who criticizes in his novels this attempt to have a society without God Despite their historical and scholarly appearance de Lubac s work clearly refers to the present As he investigates the sources of modern atheism particularly in its claim to have definitely moved beyond the idea of God he is thinking of an ideology prevalent today in East and West which regards the Christian faith as a completely outdated **Giving Birth** Margaret L. Hammer,1994-01-01 The birth of a child is important in the lives of women families and communities But as a metaphor for pastoral practice it is a sadly underdeveloped theme in theology and ministry The author offers a remedy for this lack with

this unique work urging the incorporation into worship of Scripture with allusions to birthing which would enliven the church's theology *100 New Testament Sermon Outlines* John Phillips, Carefully crafted sermon ideas from an accomplished speaker for a wide range of preaching occasions **Genesis One** Melvin W. Elliott, 2011-01-18 Most Christians are familiar with the story of creation found in the book of Genesis But have you ever considered God as a capable author who carefully designed the Bible using Genesis chapter one as a table of contents which sets up the framework For The rest of the scriptures Based on decades of research Genesis One God's Table of Contents To The Bible reveals this astonishing structure taking into consideration not only the physical meaning of the words used within the Bible's first chapter but also their spiritual implication See these two realms actually relate Prepare to see that God The creator of the universe who called himself light who also defined the laws of science and physics shows the principle of the refracting of light into its spectrum of color right in that very same opening chapter Be among the first to be filled with amazement as this dazzling discovery sweeps the planet challenging biblical scholars and scientists alike to finally agree that each have had pieces of this puzzle correct all along and to concede that the Bible supports the natural right along with the supernatural A. W. Pink's Studies in the Scriptures, Volume 10 Arthur W. Pink, 2001-09 *Parochial and Plain Sermons* Blessed John Henry Newman, Aeterna Press, STRANGE as it may seem multitudes called Christians go through life with no effort to obtain a correct knowledge of themselves They are contented with general and vague impressions concerning their real state and if they have more than this it is merely such accidental information about themselves as the events of life force upon them But exact systematic knowledge they have none and do not aim at it Aeterna Press *Spurgeon's Sermons Volume 04: 1858* Charles Haddon Spurgeon, 2017-04-19 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the fourth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God The New Age of Soul Ray S. Anderson, 2001-11-27 In The New Age of Soul the broad appeal of new age spirituality is identified and defined with special attention to the claim that the soul may be understood as both the repository of divine energy and a source of spiritual healing and hope Through dialogue with sources and perspectives on the spiritual nature of the soul the book attempts to win the respect and appreciation of the reader already persuaded by the claims and benefits of new age spirituality while at the same time convincing the reader who has suspicions and concerns about new age spirituality that a better alternative may be found The book thus has a two fold purpose first to expose the inadequacy indeed the superficiality of new age spirituality through this dialogue and discussion attracting the attention and interest of the reader already influenced by this genre Second the author makes a case for a more traditional orthodox and biblical view of the soul and human spirituality so that the reader who is inclined toward new age spirituality will rediscover the more traditional biblical content of the soul and spirituality while providing the committed more traditional Christian reader a tool by which to communicate a biblical faith

with the growing segment of our population attracted toward new age spirituality In its own way this book is an apologetic for a more traditional Christian theology of human spirituality and self identity presented in a positive dialogue with new age spirituality **A Celebration of Cheer** Robert R. Gillogly,2001
