**Pages** Marti Mitchell, 2008-10. Witches and War Leaders Conquests, Lies, and Betrayal. All found in the pages of my spell book. And the pages of my life. With uninhibited desires and unmatched power, I was determined to use the magic within me to make my dreams realities. Compelled at all costs to be more than I was and gain riches and recognition as I rose to the top of a man's world and faced the challenges and moral decisions that rose with me. Being a witch, a woman, and a queen, I battled nations, men, authorities, and my own insatiable desires. I made history with my magic and struggled with the dark side of my craft. When I faced my biggest challenge and found my deepest desire, I knew it would take more than my magic to keep from losing it. Power was not all I would need to make my dreams come true. It would take centuries to do that.

*How a Realist Hero Rebuilt the Kingdom (Manga) Volume 7* Dojyomaru, 2022-01-05. The Gran Chaos Empire is the largest nation on the continent, and the leader of the Mankind Declaration, a united front against the demons. Amidonia uses part of the text of that declaration, which states: "The moving of national borders by force will be deemed inadmissible as their shield, borrowing the might of the Empire to demand the return of their capital, Van." But Souma refuses. And so negotiations begin with the Empire's envoy, Jeanne, the younger sister of the Empress. We do want to enter an alliance with the Empire. A secret one. With the tempest of war behind them, the goals of the different nations send sparks flying in the seventh volume of this transferred to another world administrative fantasy series.
