jawed face The acolytes are escortin the crowd out in order A Okay green lights all round Good Daniel muttered in annoyance palming the doorplate to slip inside and close it again He had no liking for his blue uniformed Personal Security bodyguards Even the acolytes were guards who wore traditional robes over their uniforms during the rituals Chief Leitch spent most of his shift watching the temple grounds on monitors in his office His unit worked for Mr Eng Sen as Daniel did his nominal grandfather a tycoon whose business empire owned Eng Zhouxian Do this island near Hong Kong The light came on in Daniel s lavish dressing room at the rear of the temple backstage in the jargon of his UCLA major in Theater Arts A man s voice dry with age came on the room s speakers in Cantonese Ah Suey are you there Keep your stage makeup on I m here Daniel answered in the same language recognizing Eng Sen s voice Screen on He flopped down in a tan leather covered recliner tired as always from the evening s effort The far wall brightened with the video image of the man he called Grandfather Seventy two years old Eng Sen wore his white hair short and had age spots removed by laser treatment His bland roundish face smiled with cold courtesy from a high black leather chair sunlight backlit him like a halo I m calling from my London office Ah Suey Remain in costume I ve instructed a new assistant of mine to bring visitors to you even as we speak A major sacrifice Grandfather Daniel fought to keep disgust out of his voice as he pushed up from the recliner My assistant Meilin Lei will handle the financial matters I know what to do Grandfather Daniel said obediently
