The South African Short Story in English, 1920-2010 Marta Fossati, 2024-09-05 Through detailed close readings alongside investigations into the history of print culture Marta Fossati traces the development of the South African short story in English from the late 1920s to the first decade of the twenty-first century She examines a selection of short stories by important Black South African writers Rolfes and Herbert Dhlomo Peter Abrahams Can Themba Alex La Guma Mtutuzeli Matshoba Ahmed Essop and Zo Wicomb with an alertness to the dialogue between ethics and aesthetics performed by these texts This new history of Black short fiction problematises and interrogates the often polarised readings of Black literature in South Africa that can be torn between notions of literariness protest and journalism Due to material constraints short fiction in South Africa circulated first and foremost through local print media which Fossati analyses in detail to show the cross fertilisation between journalism and the short story While rooted in the

South African context the short stories considered also hold a translocal dimension allowing us to explore the ethical and aesthetic practice of intertextuality These are writings that complicate the aesthetics ethics binary generic classifications and the categories of the literary and the political Theoretically eclectic in its approach although largely underpinned by a narratological analysis *The South African Short Story in English 1920-2010* When Aesthetics Meets Ethics offers a fresh perspective on the South African short story in English spotlighting several hitherto marginalised figures in South African literary studies

The One That Got Away Diana Rubino, 2022-02-06 A loyal Southerner embroiled in John Wilkes Booth's plot to kill President Lincoln struggles with a dilemma that is tearing him apart But should he avenge the South as a hero or back out as a coward and avoid an unforgiveable sin We know about Mary Surratt the conspirator who helped John Wilkes Booth launch his insane plot to assassinate President Lincoln But Mary wasn't the only conspirator in the Surratt family Her son John is a mere footnote in history but he was also one of John Wilkes Booth's most trusted followers Whether he joined Booth out of need for approval or recognition as a war hero we may never know Becoming Booth's cohort he took numerous risks for this beloved South But as Booth's plan to abduct Lincoln changed to assassination a question arises was John Surratt there in Washington to assist Booth in the murder or was he in New York No one knows for sure as witnesses claim to have seen him in both places *The One That Got Away* explores the possibilities did Surratt have an attack of conscience or cowardice or did he just promise to obey Booth without any intention to carry out the deed And what ultimately caused John Harrison Surratt Jr to get involved in John Wilkes Booth's plan in the first place

The One That Got Away Melissa Pimentel, 2025-06-25 Melissa Pimentel delivers smart funny and modern retelling of Jane Austen's *Persuasion* where a young woman comes face to face with a lost love proving that the one that got away is sometimes the one you get back Ruby and Ethan were perfect for each other Until the day they suddenly weren't Ten years later Ruby's single having spent the last decade focusing on her demanding career and hectic life in Manhattan There's barely time for a trip to England for her little sister's wedding And there's certainly not time to think about seeing Ethan there for the first time in years But as the family frantically prepare for the big day Ruby can't help but wonder if she made the right choice all those years ago Because there's nothing like a wedding for stirring up the past

possible It's easy to dispense with dissent if you can say there's him in prose and him in poetry As soon as you say there's him him and her there and that guy here and that woman over there and there's all these other writers in Africa and then you've got Ireland the Caribbean suddenly there's this kind of mass dissent going on and that becomes something dangerous something that the establishment won't want people to relate to and go Christ you're doing the same as me Suddenly there's a movement going on It's fine when it's all these disparate voices you can contain that The first thing to do with dissent is say You're on your own you're a phenomenon I'm not a phenomenon at all I'm just a part of what's been happening in prose for a long long while James Kelman from a 1993 interview
