**Contemporary European Crime Fiction** Monica Dall'Asta, Jacques Migozzi, Federico Pagello, Andrew Pepper, 2023-04-20 This book represents the first extended consideration of contemporary crime fiction as a European phenomenon Understanding crime fiction in its broadest sense as a transmedia practice and offering unique insights into this practice in specific European countries and as a genuinely transcontinental endeavour this book argues that the distinctiveness of the form can be found in its related historical and political inquiries It asks how the genre's excavation of Europe's history of violence and protest in the twentieth century is informed by contemporary political questions It also considers how the genre's progressive reimagining of new identities forged at the crossroads of ethnicity gender and sexuality is offset by its bleaker assessment of the corrosive effects of entrenched social inequalities political corruption and state violence The result is a rich vibrant collection that shows how crime fiction can help us better understand the complex relationship between Europe's past present and future Seven chapters are available open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](https://link.springer.com)

**Metropolis** Philip Kerr, 2019-04-09 Metropolis is a perfect goodbye and first hello to its hero Bernie Gunther has at last come home Washington Post New York Times bestselling author Philip Kerr treats readers to his beloved hero's origins exploring Bernie Gunther's first weeks on Berlin's Murder Squad Summer 1928 Berlin a city where nothing is verboten In the night streets political gangs wander looking for fights Daylight reveals a beleaguered populace barely recovering from the postwar inflation often jobless reeling from the reparations imposed by the victors At central police HQ the Murder Commission has its hands full A killer is on the loose and though he scatters many clues each is a dead end It's almost as if he is taunting the cops Meanwhile the press is having a field day This is what Bernie Gunther finds on his first day with the Murder Commission He's been taken on because the people at the top have noticed him they think he has the makings of a first rate detective But not just yet Right now he has to listen and learn Metropolis completed just before Philip Kerr's untimely death is the capstone of a fourteen book journey through the life of Kerr's signature character Bernhard Gunther a sardonic and wisecracking homicide detective caught up in an increasingly Nazified Berlin police department In many ways it is Bernie's origin story and as Kerr's last novel it is also alas his end Metropolis is also a tour of a city in chaos of its seedy sideshows and sex clubs of the underground gangs that run its rackets and its bewildered citizens the lost the homeless the abandoned It is Berlin as it edges toward the new world order that Hitler will soon usher in And Bernie He's a quick study and he's learning a lot Including to his chagrin that when push comes to shove he isn't much better than the gangsters in doing whatever he must to get what he wants The One from the Other Philip Kerr, 2009-02-03 In the fourth mystery in Philip Kerr's New York Times bestselling series Bernie Gunther a former policeman and reluctant SS officer attempts to start over in the aftermath of World War 2 and quickly learns that the past is never far behind you Berlin 1949 Amid the chaos of defeat Germany is a place of dirty deals rampant greed and fleeing Nazis For Bernie Gunther Berlin has become far too dangerous After being forced to serve in the SS in the killing fields of Ukraine Bernie has moved to Munich to reestablish himself as a private investigator Business is slow and his funds are dwindling when a woman hires him to investigate her husband's

disappearance No she doesn't want him back he's a war criminal She merely wants confirmation that he is dead It's a simple job but in postwar Germany nothing is simple nothing is what it appears to be Accepting the case Bernie takes on far more than he'd bargained for and before long he is on the run facing enemies from every side      **Books to Die For** John Connolly, Declan Burke, 2016-10-25 An anthology featuring the world's greatest mystery authors writing about the world's greatest mystery novels      **Race and Religion in the Postcolonial British Detective Story** Julie H.
