The Paleo Approach Reverse Autoimmune Disease Heal Your Body:

The Paleo Approach Sarah Ballantyne, 2014-01-28 An estimated 50 million Americans suffer from some form of autoimmune disease. If you're among them, you may know all too well how little modern medicine can do to alleviate your condition. But that's no reason to give up hope. In this groundbreaking book, Sarah D. Ballantyne, PhD, draws upon current medical research and her own battle with an autoimmune disorder to show you how you can become completely symptom-free the natural way. *The Paleo Approach* is the first book ever to explain how to adapt the Paleo diet and lifestyle to bring about a full recovery. Read it to learn why foods marketed as healthy, such as whole grains, soy, and low-fat dairy, can contribute to the development of autoimmune conditions. Discover what you can eat to calm your immune system, reduce inflammation, and help your body heal itself. Find out which simple lifestyle changes, along with changes in diet, will make the biggest difference for your health. There's no need to worry that going Paleo will break the bank or require too much time in the kitchen preparing special foods. In *The Paleo Approach*, Dr. Ballantyne provides expert tips on how to make the switch easily and economically. Complete food lists with strategies for the day-to-day, how to stay within your food budget, where to shop for what you need, how to make the most out of your time in the kitchen, and how to eat out, take all the guesswork out of going Paleo. Simple strategies for lifestyle adjustments, including small steps that can make a huge difference, guide you through the most important changes to support healing. Do you have a complicated condition that requires medical intervention, medication, or supplements? Dr. Ballantyne also walks you through the most useful medical tests, treatments, and supplements, as well as the most counterproductive ones, to help you open a dialogue with your physician. Features such as these make *The Paleo Approach* the ultimate resource for anyone suffering from an autoimmune disease. Why suffer a moment longer? Reclaim your health with *The Paleo Approach*. **The Autoimmune Paleo Plan** Anne Angelone, **Body**

How to Heal Hashimoto's Marc Ryan, LAC, 2017-06-20 Here's the simple truth about Hashimoto's It's way more than a thyroid problem And even though it's an autoimmune disease it's also way more than an immune system problem Over time it progressively becomes a body wide disorder Most people are familiar with the common hypothyroid symptoms of fatigue brain fog weight gain sensitivity to cold hair loss and constipation But what many people don't seem to understand is that many Hashimoto's patients also have anxiety and depression acid reflux blood sugar imbalances like hypoglycemia and insulin resistance intestinal permeability anemia food intolerances and much more This is not coincidence It is all caused by repeated patterns of one system of the body breaking down and bringing other systems down with it This causes vicious cycles that lead to the breakdown of the gut the brain the adrenals the stomach the gall bladder the liver and every other major organ in the body How to Heal Hashimoto's offers a practical easy to follow approach that treats the whole body by figuring out what is breaking down and then developing a plan for fixing it Using an autoimmune diet lifestyle changes like meditation and qi gong and other natural interventions Marc Ryan shows you how to transform these vicious cycles into positive healing momentum thereby allowing the body to return to balance Get ready to take charge of your health and reclaim your life
