The Moody Handbook Of Theology P Enns 2014:

The Moody Handbook of Theology Paul P Enns, 2008-02-01 The Moody Handbook of Theology leads the beginner into the appreciation and understanding of this essential field of study. It introduces the reader to the five dimensions that provide a comprehensive view of theology: biblical, systematic, historical, dogmatic, and contemporary. The apostle Paul wrote that all Scripture is profitable for teaching (2 Tim 3:16) and that Timothy should pay close attention to your teaching (1 Tim 4:16) and that leaders should be able both to exhort in sound doctrine and to refute those who contradict (Titus 1:9). When he wrote these statements, Paul was referring to theology. Beyond giving basic definitions and general descriptions, author Paul Enns summarized the substantial features of theology. In this way, he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher. There are fifty-five informative charts located at strategic points throughout the book.

The Moody Handbook of Theology Paul Enns, 2014-03-27 The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of The Moody Handbook of Theology. In this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical, dogmatic, and contemporary. Each section includes an introduction, chapters on key points, specific studies pertinent to that theology, books for further study, and summary evaluations of each dimension. Charts, graphs, glossary, and indexes add depth and breadth. Theology, once the domain of academicians and learned pastors, is now accessible to anyone interested in understanding the essentials of what Christians believe. The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike.

Transforming Missiology Fohle Lygunda li-M, 2018-02-28 Dr. Fohle Lygunda li-M provides a thorough analysis of missiological teaching in theological institutions in Africa, with special reference to ten Christian universities in the Democratic Republic of the Congo. His detailed examination of current teaching of mission theory and practice builds a solid foundation for the articulation of a new paradigm of missiological education. In this book, Dr. Lygunda presents the case for a transformed approach to raising up seminarians who are equipped to lead indigenous missional churches that will fulfil the Great Commission in their own communities and beyond their national borders.

The Anatomy of Baptism Hiwatha Bell, Arieyah Ben Naseek, 2020-02-07 The apostle Peter told his readers: "Always be prepared to answer everyone who asks you to give the reason for the hope that you have" (1 Peter 3:15). This book explains the hope one has through God's baptismal formula for eternal peace and immortality. Arieyah Naseek delves into the topic of baptism from a Hebraically biblical perspective to enlighten readers on the importance of baptism as God has revealed it. He illustrates the impetus and necessity for baptism beginning from the Old Testament and ratifies its significance in the New Testament. The prerequisite for baptism is often overlooked in Messianic Judaism and Christianity. Arieyah elaborates on the importance of being in the right mental, emotional, and spiritual frame of mind before one is baptized. Baptism is a contract made between God and the

believer It is the most important decision that one will make in their lives Therefore this book is written to do a forensic examination on the topic as well as the subject who desires to approach God through baptism in the name of Christ our Priest and Perfecter Arieayah Naseek is President of NCCI Sinaitic Apologetics School Rector of the New Covenant Congregation of Israel Charlotte and Executive Director of NCCI Universum *Cult Shock* Mark Stengler,2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah s Witnesses and Mormons when they come knocking Cult Shock is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah s Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler s recommended engagement techniques from their years of experience Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence **That They Might Seek Him** Steven B. Ash,2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward

At-Home Seminary Rich O'Brien,2025-07-15 My goal upon entering Moody s MABS program was then as it is now to know God better and to love Him more Before completing the program I began praying to know what God had in mind for me next While praying I realized that some if not much of the biblical knowledge I had recently gained would likely slip from my mind if I did not take steps to prevent that I was then led to compile my written assignments into a well organized anthology As I prayerfully worked on that project I realized that the finished product could well serve as a Christian discipleship or small group study That led me to prayerfully consider making the project available to

everyone Now along with WestBow Press I am blessed to invite you to embark on a journey through your own At Home Seminary

30 Events That Shaped the Church Alton Gansky, 2015-01-20 The church of today did not appear on the earth fully formed but developed over the centuries through historical events that while they may seem distant have a direct effect on our everyday lives Following Jesus's command to spread the gospel to the ends of the earth the apostles and their spiritual descendants have grown the church through times of peace and times of war through persecution and pilgrimage The church that began as a rag tag group of Middle Eastern fishermen tax collectors and zealots became the multi ethnic multifaceted church of today Now thirty of those course altering events are brought to life by consummate storyteller Alton Gansky Spanning twenty centuries of history this lively book will entertain and educate readers who love history and who want to know why the church is the way it is today

A Virtue Ethical View of Trinitarian Sanctification Ronald M. Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is revealed through the Son's example that is to be imitated by the believer through habituation and reciprocity by the Spirit's leading and 3 believers are led by the Spirit's intercession into prayer Rom 8 14 16 26 27 to be helped through the Son's priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers

Demonology for the Global Church Scott D. MacDonald, 2021-06-01 As Christians how do we address the contentious and often disturbing subject of demonology Our cultural paradigms pit us between the extremes of skepticism and sensationalism Increasingly diverse Christian communities are in desperate need of a biblical understanding of the demonic that transcends cultural frameworks an understanding that will challenge assumptions rebuke errors and unite Christians in scriptural truth Demonology for the Global Church endeavors to provide the biblical and theological essentials for a unified Christian perspective of the demonic Avoiding speculation and anecdotal evidence Scott D MacDonald roots his analysis in Scripture He frames a biblical demonology in light of global and contextual concerns offering an understanding that avoids the pitfalls of anti supernaturalism and over emphasis If the church is to effectively overcome its spiritual adversaries Christians from around the world must stand and resist together This is an essential resource for the

global church relevant to students of theology institutional scholars cross cultural missionaries local pastors and all types of Christian leaders

The Fake Commission - 2017 Update John M. Strohmman, J.D.,2014-12-16 THE FAKE COMMISSION is a serious examination of the Great Commission We live in a day where felt needs are elevated over Biblical theology among many Christians ministries and churches The purpose of this book is to challenge and encourage the serious Christian and the church Without a correct focus on evangelism and missions one risks a life of self deception regarding what real Christian service is This book does no belabor imprecise terms like balance or moderation when discussing evangelism and good works it seeks to be Biblical When our lives are done it is the truly Spirit led obedient believer who will hear Well done good and faithful slave You were faithful with a few things I will put you in charge of many things enter into the joy of your master Matthew 25 21

Jesus Before Constantine Doug E. Taylor,2020-08-12 That s now but what about then There is much diversity in Christianity today in terms of what constitutes necessary core beliefs but what can we know about the earliest Christianity Until the major councils began in the fourth century were all who claimed to be Christian considered part of the church or was there more to it than just claiming a name Is there evidence for how the church understood core and necessary beliefs prior to Constantine s arrival in history and the Council of Nicea in AD 325 This book examines such questions Using only those materials that are accepted by most scholars on the subject whether they are Christian or not and focusing on the period from AD 30 250 a picture emerges showing what Christians held as a core belief as well as how flexible they were on this belief Only after identifying where the church stood in this period can we begin to understand whether others such as Ebionites Docetists and Marcionites would have been accepted as Christian A case is made based on writings from the church the Nag Hammadi and a completely secular tool from the twentieth century to find the conclusion to this question

The Ministry We Need Jeremy A. Rogers,Jordan N. Rogers,Tony A. Rogers,2022-05-26 What would cause the apostle Paul to testify that I am innocent of the blood of all Godly qualities characterized his ministry and outside of Christ s there is no greater ministry example All ministers struggle and we all know those who toil in frustration alongside us in the Lord s field You may be amid deep struggle now worn tattered scarred ready to quit you have lost the focus and the joy of your calling Most of us in ministry have known those who have either left the ministry or shipwrecked their faith Quite possibly this is you What we need to do is put our hands to the plow focus on our calling and the path before us and determine to finish well Drawing on Paul s example from Acts 20 17 38 the authors prescribe ministry principles touching on a wide range of pastoral and preaching insights Some have a ministry they should not want some desire a ministry they think they want but this book seeks to identify the ministry we need

Biblical Worship Dr. Greg McCabe,2015-09-03 Throughout history we have yet to find a tribe or nation any where in the world that did not or does not worship something Yet for the most part the act of worship is so imperfect and so far off track from what is acceptable to God God the Creator of the universe desires to have an intimate relationship with us His creation Mankinds purpose or meaning of life is to pursue an

intimate relationship with God The Bible tells us to cling to the Lord your God Josh 23 8 NASB and to serve Him and cling to Him Deut 13 4 NASB King David said My soul clings to You Your right hand upholds me Ps 63 8 NASB These verses help us to understand the need to make God our refuge and our security We need to stir ourselves up to take hold of God and to cling to Him with our very soul like King David Pursuing intimacy with God may seem strange to some but that is Gods will for us to have a personal relationship with Him Based on solid Biblical insights Biblical Worship Pursuing Intimacy with God shares how we can get back to what God considers acceptable worship of Him Biblical Worship Pursuing Intimacy with God is designed to be used for personal or group study **Evangelical America** Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality
