Callewaert, 2000 Excellent bibliographical work about Allama Muhammad Iqbal in the Arabic scripts Urdu Persian Arabic and so on has been published by the Iqbal Academy Lahore Our publication covers only what appeared in the Roman script English German French Dutch Italian Polish Czech Portuguese Swedish Finnish Turkish and Russian Many books have some kind of bibliographical list and we have tried to include all that material in the present publication With the generous support of the Ministry of Education Government of Pakistan the Iqbal Foundation Europe at the KU Leuven Belgium has endeavoured to combine meticulous and patient work in libraries with the most modern search on internet The result is an impressive tribute to Iqbal and to the research about him 2500 entries the latest entry dated 1998 A Schimmel Even if many superfluous or repetitive articles may have been published a researcher should look at even small contributions they may contain valuable information and rare insights The databank we compiled at the university of Leuven is composed of material taken from published works and from the on line services of the major university libraries From this it appeared that hundreds of scholars and authors have contributed to the immense databank about Iqbal The highest number of contributions is by Annemarie Schimmel S A Vahid and B A Dar followed by A Bausani K A Waheed A J Arberry and so many others

And Muhammad Is His Messenger Annemarie Schimmel, 2014-06-30 The important role of the Prophet Muhammad in the everyday lives of Muslims is usually overlooked by Western scholars and has consequently never been understood by the Western world Using original sources in the various Islamic languages Annemarie Schimmel explains the central place of Muhammad in Muslim life mystical thought and poetry She sees the veneration of Muhammad as having many parallels in other major religions In order to understand Muslim piety it is necessary to take into account the long history of the veneration of Muhammad Schimmel discusses aspects of his life birth marriage miracles and heavenly journey all of which became subjects for religious devotions By using poetic texts and artistic expressions and by examining daily Muslim religious practices Schimmel shows us the gentler side of Islamic religious culture providing a much needed understanding of religion as it is experienced and practiced in the Islamic world This is the first book in English to deal with all aspects of the veneration of the Prophet Muhammad It is an expanded version of Schimmel's *Und Muhammad Ist Sein Prophet* originally published in German in 1981

Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi, 2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers

The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170

The Ilkhanid Book of Ascension Christiane Gruber, 2010-02-28 The traditional account of the Prophet Muhammad s ascension has inspired generations of writers and storytellers from the beginnings of Islam until today By the tenth century narratives describing Muhammad s encounter with prophets and angels his colloquy with God and his visits of heaven and hell lead to the formation of the Book of Ascension a novelizing and engaging literary genre most commonly written in Arabic and Turkic dialects This is the study of an extremely rare Persian Book of Ascension which was written in Persian by an anonymous author and dates from the Ilkhanid Period 1256 1353 Christiane Gruber presents an English translation alongside the original manuscript text together with critical commentary on the text as well as a series of Ilkhanid ascension paintings The text appears to promote adherence as well as to encourage conversion to Sunni Islam providing a fascinating insight into the interplay between artistic practices and missionary efforts aimed at promoting Sunni Islam in Persian lands during Ilkhanid rule

Textual Sources for the Study of Islam Andrew Rippin, Jan Knappert, 1990-10-15. This collection is distinguished by its wide range and the care which has clearly gone into the selection of texts for inclusion. Attention has understandably been focused on what might be called the religious aspects of Islam, such as scripture, theology, sects, law, ritual, and mysticism, but within those limits the texts chosen are marked by substantially of content by geographical, chronological, and social diversity, and by an intelligent use of less well-known authors. An excellent starting point for a systematic and analytical examination of Islam.

The Mongol Empire and its Legacy Morgan, Reuven Amitai-Preiss, 2021-08-04. The Mongol empire was founded early in the 13th century by Chinggis Khan and within the span of two generations embraced most of Asia, becoming the largest land-based state in history. The united empire lasted only until around 1260, but the major successor states continued on in the Middle East, present-day Russia, Central Asia, and China for generations, leaving a lasting impact, much of which was far from negative on these areas and their peoples. The papers in this volume present new perspectives on the establishment of the Mongol empire, Mongol rule in the eastern Islamic world, Central Asia, and China, and the legacy of this rule. The various authors approach these subjects from the view of political, military, social, cultural, and intellectual history. This publication has also been published in paperback; please click here for details.
