**Stephen L. Klineberg**

## **The Next America Boomers Millennials And The Looming Generational Showdown:**

**The Next America** Paul Taylor, Pew Research Center, 2016-01-26 The America of the near future will look nothing like the America of the recent past America is in the throes of a demographic overhaul Huge generation gaps have opened up in our political and social values our economic well being our family structure our racial and ethnic identity our gender norms our religious affiliation and our technology use Today s Millennials well educated tech savvy underemployed twenty somethings are at risk of becoming the first generation in American history to have a lower standard of living than their parents Meantime more than 10 000 Baby Boomers are retiring every single day most of them not as well prepared financially as they d hoped This graying of our population has helped polarize our politics put stresses on our social safety net and presented our elected leaders with a daunting challenge How to keep faith with the old without bankrupting the young and starving the future Every aspect of our demography is being fundamentally transformed By mid century the population of the United States will be majority non white and our median age will edge above 40 both unprecedented milestones But other rapidly aging economic powers like China Germany and Japan will have populations that are much older With our heavy immigration flows the US is poised to remain relatively young If we can get our spending priorities and generational equities in order we can keep our economy second to none But doing so means we have to rebalance the social compact that binds young and old In tomorrow s world yesterday s math will not add up Drawing on Pew Research Center s extensive archive of public opinion surveys and demographic data The Next America is a rich portrait of where we are as a nation and where we re headed toward a future marked by the most striking social racial and economic shifts the country has seen in a century

**Next America** Paul, 2014 The America of the near future will look nothing like the America of the recent past America is in the throes of a demographic overhaul Huge generation gaps have opened up in our political and social values our economic well being our family structure our racial and ethnic identity our gender norms our religious affiliation and our technology use Today s Millennials well educated tech savvy underemployed twenty somethings are at risk of becoming the first generation in American history to have a lower standard of living than their parents Meantime more than 10 000 Baby Boomers are retiring relatively Drawing on Pew Research Center s extensive archive of public opinion surveys and demographic data The Next America

*Next America* Paul, 2014 The America of the near future will look nothing like the America of the recent past America is in the throes of a demographic overhaul Huge generation gaps have opened up in our political and social values our economic well being our family structure our racial and ethnic identity our gender norms our religious affiliation and our technology use Today s Millennials well educated tech savvy underemployed twenty somethings are at risk of becoming the first generation in American history to have a lower standard of living than their parents Meantime more than 10 000 Baby Boomers are retiring relatively Drawing on Pew Research Center s extensive archive of public opinion surveys and demographic data The Next America

**Future Right** Donald T. Critchlow, 2016-05-10 Contrary

to those who argue that demographics are political destiny social trends are transforming identity categories of race gender and youth all of which provide rich opportunities for Republicans to create a new majority To accomplish this Republicans will need imagination and political acumen if they are to win over those constituencies that have become the base of the Democratic Party minorities young women and millennials Behind the reality of current voting patterns which without doubt presents a gloomy future for the Republican Party social trends and a deeper analysis of political attitudes reveal there is much room for Republican optimism In this critical data driven book Future Right Donald Critchlow explores strategies for the right that will help them succeed where Democrats are floundering how to speak to the new population of a rising and successful minority class and how to reform the salacious alliance between the government and the one percent It is time for Republicans to adapt to societal trends for the creation of a new transformative politics that will not only help them win the future elections but revive a system long overrun by outmoded top heavy politics **Emerging Adulthood** Karen J.

Gilmore, M.D., Pamela Meersand, Ph.D., 2023-10-04 Is adulthood defined by independence a stable career marriage or parenthood In the digital age particularly in Western societies the traditional markers of adulthood have been increasingly postponed and redefined Enter the concept of emerging adulthood a period characterized by role exploration instability self focus and wide open possibilities Although researchers have defined this stage as the period between ages 18 and 29 years this new volume posits that it is most useful to examine late adolescence ages 18 23 and emerging adulthood ages 24 29 separately given the differences in developmental capacities tasks achievements and attitudes With case vignettes videos and key points for each chapter that aid in quick reference Emerging Adulthood A Psychodynamic Approach to the New Developmental Phase of the 21st Century examines the process of identity formation the role of youth culture in aiding individuation from family of origin the distinction between typical emotional reactions and behaviors and those that require mental health interventions and a diverse range of treatment modalities Whether still in training or actively practicing mental health clinicians will come away with a deeper understanding of the interface of culture development and individual psychology during these vibrant life phases The Law that Changed the Face of America Margaret Sands

Orchowski, 2024-11-05 The year 2015 marks the 50th anniversary of the passage of the Immigration and Nationality Act INA of 1965 a landmark decision that made the United States the diverse nation it is today In The Law that Changed the Face of America congressional journalist and immigration expert Margaret Sands Orchowski delivers a never before told story of how immigration laws have moved in constant flux and revision throughout our nation's history Exploring the changing immigration environment of the twenty first century Orchowski discusses globalization technology terrorism economic recession and the expectations of the millennials She also addresses the ever present U S debate about the roles of the various branches of government in immigration and the often competitive interests between those who want to immigrate to the United States and the changing interests values ability and right of our sovereign nation states to choose and welcome

those immigrants who will best advance the country      *How to Live Forever* Marc Freedman, 2018-11-20 Using this helpful book learn how the secret to happiness and longevity can be found through mentoring the next generation In *How to Live Forever* Encore org founder and CEO Marc Freedman tells the story of his thirty year quest to answer some of contemporary life's most urgent questions With so many living so much longer what is the meaning of the increasing years beyond 50 How can a society with more older people than younger ones thrive How do we find happiness when we know life is long and time is short In a poignant book that defies categorization Freedman finds insights by exploring purpose and generativity digging into the drive for longevity and the perils of age segregation and talking to social innovators across the globe bringing the generations together for mutual benefit He finds wisdom in stories from young and old featuring ordinary people and icons like jazz great Clark Terry and basketball legend Kareem Abdul Jabbar But the answers also come from stories of Freedman's own mentors a sawmill worker turned surrogate grandparent a university administrator who served as Einstein's driver a cabinet secretary who won the Presidential Medal of Freedom and the gym teacher who was Freedman's father *How to Live Forever* is a deeply personal call to find fulfillment and happiness in our longer lives by connecting with the next generation and forging a legacy of love that lives beyond us      *Sociology* David M. Newman, 2018-01-17 In *Sociology Exploring the Architecture of Everyday Life* David M Newman shows students how to see the unfamiliar in the familiar to step back and see organization and predictability in their take for granted personal experiences With his approachable writing style and lively personal anecdotes the author's goal from the first edition has always been the same to write a textbook that in his words reads like a real book Newman uses the metaphors of architecture and construction to help students understand that society is not something that just exists out there independently of themselves it is a human creation that is planned maintained or altered by individuals Using vivid prose examples from current events and the latest research findings this fully updated Twelfth Edition presents a unique and thought provoking overview of how society is constructed and experienced Instead of surveying every subfield in sociology the more streamlined coverage focuses on the individual and society the construction of self and society and social inequality in the context of social structures      **The Educated Underclass** Gary Roth, 2019-04-20 We live in a world with too many graduates fighting for too few jobs where Deliveroo and FedEx drivers have advanced degrees *The Educated Underclass* offers a much needed look at this societal restructuring from the perspective of students Gary Roth examines the way that universities often reproduce traditional class hierarchies the mechanisms that enable upward and downward social mobility and how the overproduction of intelligence hinders students calling for a realignment of how social classes function today The dream of social mobility is dying Where previous generations were expected to surpass their parents level of economic success prospects for today's graduates are increasingly bleak      *Genus Americanus* Loren Ghiglione, Alyssa Karas, Dan Tham, 2020-10-25 A seventy year old Northwestern journalism professor Loren Ghiglione and two twenty something Northwestern journalism students Alyssa

Karas and Dan Tham climbed into a minivan and embarked on a three month twenty eight state 14 063 mile road trip in search of America s identity After interviewing 150 Americans about contemporary identity issues they wrote this book which is part oral history part shoe leather reporting part search for America s future part memoir and part travel journal On their journey they retraced Mark Twain s travels across America from Hannibal Missouri to Chicago New York Boston Philadelphia Washington DC New Orleans Salt Lake City San Francisco and Seattle They hoped Twain s insights into the late nineteenth century soul of America would help them understand the America of today and the ways that our cultural fabric has shifted Their interviews focused on issues of race religion gender sexual orientation and immigration status The timely trip occurred as the United States was poised to replace president Barack Obama an icon of multiculturalism and inclusion with Donald Trump whose white identity agenda promoted exclusion and division What they learned along the way paints an engaging portrait of the country during this crucial moment of ideological and political upheaval

#### **Cultivating Mentors** Todd C.

Ream, Jerry Pattengale, Christopher J. Devers, 2022-10-11 Drawing on traditional theological understandings of mentor mentee relationships a distinguished group of contributors explores the practice of mentoring in Christian higher education With special attention to generational dynamics this book offers valuable insights and practical recommendations for faculty administrators and policy makers

*Parents Without Papers* Frank D. Bean, Susan K. Brown, James D. Bachmeier, Susan Brown, James Bachmeier, 2015-10-01 For several decades Mexican immigrants in the United States have outnumbered those from any other country Though the economy increasingly needs their labor many remain unauthorized In *Parents Without Papers* immigration scholars Frank D Bean Susan K Brown and James D Bachmeier document the extent to which the outsider status of these newcomers inflicts multiple hardships on their children and grandchildren *Parents Without Papers* provides both a general conceptualization of immigrant integration and an in depth examination of the Mexican American case The authors draw upon unique retrospective data to shed light on three generations of integration They show in particular that the membership exclusion experienced by unauthorized Mexican immigrants that is their fear of deportation lack of civil rights and poor access to good jobs hinders the education of their children even those who are U S born Moreover they find that children are hampered not by the unauthorized entry of parents itself but rather by the long term inability of parents especially mothers to acquire green cards When unauthorized parents attain legal status the disadvantages of the second generation begin to disappear These second generation men and women achieve schooling on par with those whose parents come legally By the third generation socioeconomic levels for women equal or surpass those of native white women But men reach parity only through greater labor force participation and longer working hours results consistent with the idea that their integration is delayed by working class imperatives to support their families rather than attend college An innovative analysis of the transmission of advantage and disadvantage among Mexican Americans *Parents Without Papers* presents a powerful case for immigration policy reforms that provide not only realistic levels of legal less

skilled migration but also attainable pathways to legalization Such measures combined with affordable access to college are more important than ever for the integration of vulnerable Mexican immigrants and their descendants     *Prophetic City* Stephen L. Klineberg,2020-06-02 Sociologist Stephen Klineberg presents a trailblazing study Kirkus Reviews that shows how the city of Houston has emerged as a microcosm for America s future based on a meticulously researched thirty eight year study of its changing economic demographic and cultural landscapes Houston Texas long thought of as a traditionally blue collar black white Southern city has transformed into one of the most ethnically and culturally diverse metro areas in the nation surpassing even New York by some measures With a diversifying economy and large numbers of both highly skilled technical jobs in engineering and medicine and low skilled minimum wage jobs in construction restaurant work and personal services Houston has become a magnet for the new divergent streams of immigration that are transforming America in the 21st century And thanks to an annual systematic survey conducted over the past thirty eight years the ongoing changes in attitudes beliefs and life experiences have been measured and studied creating a compelling data driven map of the challenges and opportunities that are facing Houston and the rest of the country In *Prophetic City* we ll meet some of the new Americans including a family who moved to Houston from Mexico in the early 1980s and is still trying to find work that pays more than poverty wages There s a young man born to highly educated Indian parents in an affluent Houston suburb who grows up to become a doctor in the world s largest medical complex as well as a white man who struggles with being prematurely pushed out of the workforce when his company downsizes Eye opening and accessible Publishers Weekly this timely and groundbreaking book tracks the progress of an American city like never before Houston is at the center of the rapid changes that have redefined the nature of American society itself in the new century and is where for better or worse we can see the American future emerging     Reaching People under 30 while Keeping People over 60 Edward H Hammett,2015-11-10 Seasoned church consultant Edward H Hammett shares his latest insights and suggestions for churches seeking to serve all generations This is an updated version of Hammett s 2007 book *Reaching People Under 40 while Keeping People Over 60* that expands the reach another decade and emphasizes diversity with insight from new contributors Paul L Anderson and Cornell Thomas A TCP Books title     **Sociology** David M. Newman,2025-06-24 The Fifteenth Edition of *Sociology* uses vivid prose current examples and fresh data to present a unique and thought provoking overview of how society is constructed and experienced With his approachable writing style and lively anecdotes author David M Newman s goal from the first edition has been the same to write a textbook that reads like a real book     **The Future of Leadership** Michael A Genovese,2015-07-24 *The Future of Leadership* considers how the rapid changes of today will affect the leaders of tomorrow Renowned Leadership scholar Michael A Genovese argues that one of the key challenges for future leaders will be to effectively and constructively manage the hyper change taking place both within organizations and in the broader social and political spheres Taking a Futures Studies approach to envision the state of leadership in the

coming decades Genovese also provides case studies of leaders who have already demonstrated the mind and skill sets necessary to successfully manage rapid change

**The Good Citizen** Russell J. Dalton, 2015-09-09 The Good Citizen is the perfect introduction to my class It focuses on younger people which gives it a direct relevance to my students The basic argument of the book is very compelling and was an important qualifier on the normal youth bashing that can often happen with regard to millennials and politics I highly recommend this book It will not disappoint Michael Franz Bowdoin College

The Good Citizen uses a new 2014 national public opinion survey to describe how Americans views of what it means to be a good citizen is changing Contrary to conventional wisdom younger generations are more politically engaged are more politically tolerant are supportive of a more active government have stronger democratic ideals and are more supportive of social justice The young are creating new norms of citizenship that are leading to a renaissance of democratic participation The new edition of this groundbreaking work will reshape the way we think about the American public American youth and the prospects for contemporary democracy It uses evidence from the 2004 and 2014 General Social Surveys to describe Americans changing citizenship norms the emergence of the Millennial Generation how the Internet is changing participation patterns and a new statistical primer to help students understand the survey findings

**What Happened to the Republican Party?** John White, 2015-08-14 As the 2016 election campaign attests the Grand Old Party once moderate and even magnanimous has fallen into a prison of its own making when it comes to presidential politics After the debacle of the George W Bush presidency and the rout of the Romney candidacy Republicans said they must broaden their base become more inclusive and return to the warmth of Reagan idealism Instead what we have is a bitter backbiting and race and gender baiting campaign with a candidate more exclusive than any before him How did we get here and how do we get out This book tracks the modern history of the Republican Party and shows its decline even while shining a light on its high points and urging it back in a positive direction Every reader interested in the US presidential election the primary process and the clash of politics and culture will find something enlightening in John White s exposition Above all he puts the Age of Trump into perspective looking back as well as forward in his analysis Who is this book for Students of American government political parties campaigns elections Scholars in political science and political history General readers interested in the current presidential campaign and the health of American democracy Features 1 Current Anticipates the current state of the Republican Party at odds with itself as much as with the American public Includes 2014 midterm election data with an eye toward the 2016 presidential contest 2 A broad historical sweep Covers a broad historical period from the 1950s Eisenhower era to the present with a strong emphasis on the Reagan years which represent the GOP at its zenith 3 Efficient use of polling and demographic data Takes a broad swath of historical data including polling data and presents it in a condensed readable format At the same time the reader is not inundated by polling and demographic data 4 Bold Any reader will come away from this book understanding that the GOP predicament is likely to last for some time to come The problems

Republicans face are both intellectual and political They are not likely to be solved by any one candidate or election and will be compounded and confounded by the events of 2016      *The Politics of a Majority-Minority Nation* Juan Fernando Torres-Gil, Jacqueline L. Angel, 2018-08-28 As the twin demographic shifts of population aging and diversity speed forward in America it is hard to imagine a timelier or more needed work Paul Irving Chairman Milken Institute Center for the Future of Aging This timely and critical book takes on a new phenomenon facing the United States and poses the stark question Will the United States be prepared by 2050 when its older population doubles and we become a majority minority society In the authors response scholars policy leaders and the public are provided with the background and information that connects these two trends to contemporary public policy debates Written with clarity and expertise this book illuminates the changes and challenges that face the nation by concisely addressing a wide range of topics including immigration reform the politics of aging and health and retirement security and provides a glimpse of how the next America might look The authors draw on current data about longevity diversity and the growing Hispanic population in particular to unfold the social cultural policy and political implications for an aging and diversifying population With case studies and real world examples the book outlines and analyzes the possible impact of this phenomenon on issues like governance public benefits the long term care work force and national security and builds a broader framework with which to understand them With combined experience in academia government and policy advocacy the authors tackle the dramatic changes occurring across the United States and offer a road map to not only understanding but addressing these challenges and opportunities with reason and responsibility Key Features Presents the most current statistics and data on demographics Written by an interdisciplinary team with combined experience in academia government and policy advocacy Includes case studies and real world examples to build a broader framework of understanding Addresses social policy cultural and political challenges facing a rapidly changing population and offers rational and respectful responses      **Millennial Missionaries** Katherine Dugan, 2019 Millennials in the U S have been characterized as uninterested in religion as defectors from religious institutions and as agnostic about the role of religious identity in their culture Amid the rise of so called nones though there has also been a countervailing trend an increase in religious piety among some millennial Catholics The Fellowship of Catholic University Students FOCUS which began evangelizing college students on American university campuses in 1998 hires recent college graduates to evangelize college students and promote an attractive and culturally savvy Catholicism These millennial Catholics have personal relationships with Jesus attend Mass daily and know and defend papal teachings while also being immersed in U S popular culture With their skinny jeans devotional tattoos and large framed glasses FOCUS missionaries embody a hip attractive style of Catholicism They promote a faith that interweaves distinctly Catholic identity with outreach methods of twentieth century evangelical Protestants and the anxieties of middle class emerging adulthood Though this new generation of missionaries lives according to strict gender essentialism prescribed by papal teachings including the notions

that men lead while women follow and that biology dictates gender roles they also support stay at home fatherhood and women earning MBAs *Millennial Missionaries* examines how these young people navigate their Catholic and American identities in the twenty first century Illuminating the ways missionaries are reshaping American Catholic identity Katherine Dugan explores the contemporary U S religious landscape from the perspective of millennials who proudly proclaim I am Catholic and devote years of their lives to convincing others to do the same

Thank you for reading **The Next America Boomers Millennials And The Looming Generational Showdown**.
