The Old And New Ten Commandments Monoceros Series Volume 4:

Contemplations on the Ten Commandments Vol. 4 H.H. Pope Shenouda III,1993-02-01 Dear reader I present you with these lectures which I delivered in 1967 There are three other books on the Ten Commandments this one deals with the last four Each Commandment needs in fact a whole book but I preferred to present them in such a concentrated way They are perhaps expounded in more detail in my series on Spiritual Warfare and in the series of So Many Years with the Problems of the People I pray God may give us power that we may behave according to His commandments written by His finger due to their great importance Pope Shenouda III The Ten Commandments Mark Rooker,2010-05-01 From the acclaimed New American Commentary Studies in Bible Theology series a book examining the ancient and modern significance of each of the Ten Commandments *The Ten Commandments* Patrick D. Miller,2009-01-01 The Lord alone Hallowing the name of God Keeping the Sabbath Respect for parents Protecting life Marriage sex and the neighbor Property and possessions Telling the truth Desire and its repercussions The ethics of the commandments *Contemplations on the Ten Commandments Vol. 2* H.H. Pope Shenouda III,1993-07-02 The Ten Commandments were not meant for the times of the prophet Moses nor the times of the Old Testament but were rather addressed to every generation till heaven and earth pass away one jot or one tittle will by no means pass from the law Matt 5 18 Through Christianity the Ten Commandments were given a new meaning which coincided with the new standards understood by the believers in the New Testament So the Commandments remain the same but their concept widens as God grants with His grace an opportunity for meditation How true then was the prophet David when he said I have seen the consummation of all perfection But Your commandment is exceedingly broad Ps 119 96 This series of lectures were given in 1967 and have been published more than once Pope Shenouda III **The Old Law and the New Law** William Barclay,1992-01-01 The New Ten Commandments Louis Albert Banks,1922 **The Old Ten in the New Covenant** James D Quiggle,2022-04 The Old Ten in the New Covenant is an examination of the Ten Commandments in the Old and New Testaments God s moral values whether expressed in the Old or New Testament are applicable to believers in every age Each chapter begins with a fresh translation of one of the Ten commandments and discussion of that translation per a literal understanding of the Hebrew text The commandment is then briefly examined within its historical cultural context The recurrence and use of the commandment is discussed in both Old and New Testaments The application of the commandment to New Testament times concludes each chapter Three appendices provide related material Over the past several decades teaching in local churches and interacting on social media the Author has repeatedly encountered a popular and unbiblical doctrine the Christian can safely ignore the Old Testament Law and focus only on the Law of Christ They have been taught that most if not all of God s commandments in the Old Testament are not for the Christian The average Christian does not understand the Law of Christ contains God s moral values from the Old Testament repeated in the New Testament including nine of the Ten Commandments This book carefully examines that

proposition through a discussion of the old Ten in the New Covenant Ten Commandments Twice Removed Danny Shelton,2005 This book answers critical questions about the Ten Commandments with compelling clarity and Bible evidence

Between Woman, Man and God Hagith Sivan,2004-08 Hagith Sivan challenges the traditional reading of the Ten Commandments as a word of God to men It explores the Commandments in both a legal and narrative contexts bringing to bear methods of mainstream and feminist biblical scholarship Between Woman Man and God argues that there can be neither full understanding nor a meaningful reading of this central document without a thorough examination of its relevance to women on the one hand and of the relevance of illustrative stories featuring women on the other hand *The Ten*

Commandments Reconsidered James E. Smith, Ph.D.,2016-06-08 A discussion of each of the Ten Commandments and its connections with the remainder of the Law of Moses the teachings of the prophets and the New Covenant revelation The Ten Commandments ,2000 The Ten Commandments Illustrated by Concurring Passages in the Old and New Testament

Commandments Robert William Dale,1877 *The Ten Commandments from the Back Side* Dr. J. Ellsworth Kalas,2010-09-01 In this study Kalas opens up new possibilities of insight into the familiar Ten Commandments by restating them in the positive and showing how they were intended to make life richer and more fulfilling Kalas uses contemporary illustrations and personal experience to show how these timeless laws give us an appetite for divine excellence Includes study guide 10 sessions The Ten Commandments Michael Coogan,2019-06-18 Are the Commandments really written in stone A biblical scholar offers an engrossing and enlightening guide to one of the world s great legal codes Booklist In this lively provocative book Michael Coogan takes us into the ancient past to examine the Ten Commandments also known as the Decalogue How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments When did that happen There are several versions of the Decalogue in the Old Testament so how have different groups determined which is the most authoritative Why were different versions created Coogan discusses the

meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God nor were the Commandments always strictly observed In later times as well Jews and especially Christians ignored and even rejected some of the prohibitions although the New Testament clearly acknowledges the special status of the Ten Commandments Today it is plain that some of the values enshrined in the Decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men s property Yet in line with biblical precedents the author concludes that while a literal observance of the Ten Commandments is misguided some of their underlying ideals remain valid in a modern context **The 10**

Commandments Then & Now Robert M. West,2010 Most everyone s heard of the Ten Commandments but what are they really all about Find out with The Ten Commandments Then and Now This new study views God s ancient law handed down to Moses at Mount Sinai from the perspective of twenty first century Christian faith The Ten Commandments contain both timeless moral laws and rules that help us understand and relate to God The apostle Paul said We know that the law is good if a man uses it properly 1 Timothy 1 8 niv and since Jesus came to fulfill the law Matthew 5 17 a study of the Ten Commandments can reveal truths to encourage challenge and build us up in our faith **The Ten Commandments** ,1848

What Are the Ten Commandments? Yona Zeldis McDonough,Who HQ,2017-10-10 Learn the story behind the ten laws that have been the guiding light of Judeo Christian belief Not just about Moses whose origin story leaves open questions this book looks back at the time when the commandments were written how the belief in one all powerful God set the Israelites apart from other ancient peoples and the roles the Ten Commandments have played in Judaism Christianity and Islam It also looks at what each individual commandment means and how together they form the basis of leading a moral life as well as forming a just government
