The Publishers Weekly ,1897 Famous Story Magazine ,1925 *Our Darlings: the Children's Treasury of Pictures & Stories* T.J. Barnardo, 1890 **A History of the Bible** John Barton, 2019 In Western culture the Bible is monolithic John Barton argues that the Bible is not a prescription to a complete fixed religious system but rather a product of a long and intriguing process which has inspired Judaism and Christianity but still does not

describe the whole of either religion He further argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording which is impossible to determine and focus instead on the broader meanings of scripture *The Story of Christian Theology* Roger E. Olson, 2009-08-20 In his book poised to become a standard historical theology textbook Roger Olson takes us on a journey of events ranging from the apostolic fathers to the Reformation to the present Reading the Bible as Literature Jeanie C. Crain, 2010-08-09 Reading the Bible as Literature provides the ideal entry point to the process of reading understanding and assessing what many recognize to be the important and powerful literature of the Bible Such reading holds potential for helping students understand literature generally and the Bible in itself The book introduces the tools of literary analysis including language and style the formal structures of genre narrative drama and poetry character study and thematic analysis The book emphasizes the act of reading itself focusing upon the whole text as it exists in its current form It invites an experiential entering into and reliving of the Bible's stories encourages analytical and holistic reading explores multiple interpretations and embraces a power of language originating in the mythological metaphorical and symbolic Above all the book seeks to return the Bible to the common reader and to build in that reader an appreciation for a collection of ancient literary texts often trivialized by competing theologies or marginalized by a relentless insistence upon fact science and history Back cover
