The city's grid of streets and buildings extends towards the horizon, where the sun is setting, creating a warm, orange glow across the sky and the city's surface.

The Paths We Choose Sully Erna, 2016-04-19 With over ten million albums sold and multiple Grammy nominations the hard rock band Godsmack has become one of the most successful groups of the last decade The band s driving beats and searing lyrics have garnered widespread acclaim while their well known work ethic has earned the industry s respect Fans who attend Godsmack concerts are sure to be rewarded with a fiercely energetic show The force behind the band comes largely from founder and front man Sully Erna Onstage growling into the microphone with characteristic intensity he appears perfectly at home and it s no wonder Erna has been immersed in the world of rock ever since he got his first drum set at the age of five Given his achievements that early start might suggest that his career was a straight shot to the top The truth is Erna took so many detours during the years between his first drums and Godsmack s first contract that more than once he nearly forgot his destination In *The Paths We Choose* he relates the turbulent story of his life before the platinum albums and packed arenas The Lawrence I remember was full of murderers thieves and rapists and half the time those people were your next door neighbors Erna writes of his childhood hometown in the gritty Boston suburbs Although the danger of the streets was a constant reality young Sully s world really revolved around music From the day he convinced his mom to pay for drum lessons beating the skins was all he ever wanted to do As he grew older Erna began devoting all his energy to one band after another Life as a marginally successful and sometimes downright unsuccessful musician was always unpredictable and Sully s good times were equally matched by his frustrations He learned that talent and passion were not enough he also had to know who to trust Beautiful blondes attracted Erna like a moth to an open flame and his affairs with them were intense and often unstable Outwardly hardened yet privately vulnerable he couldn t open up This combined with his high adrenaline lifestyle seemed bound to catch up with him and did Here Sully delves with surprising sensitivity into the emotional struggles that almost forced him to abandon his ambitions Musical fame was never a given for Sully Erna He could easily have continued to be just another punk on the streets The extraordinary success he now enjoys with Godsmack only came by an unlikely combination of talent sweat lucky breaks and hard falls Any one of the decisions he made along the way could have brought him to a dead end But that just might be the whole point Sully s story shows us that whatever hardship we may face ultimately our choices determine our destiny He s made the most of every advantage and obstacle he has faced and reminds us that we can too But for Sully career success is not an ultimate destination Every day brings a new fork in the road another path to choose

[A Survey of the Bible](#) Ronald F. Satta,2008-11-04 Among books the Bible is unique Compiled over a time period spanning some 1600 years it includes contributions from over forty different writers Yet it has a unified message and a clear theme redemption through sacrifice and most especially redemption through the sacrifice of the Christ the Messiah the Promised One from God This coherence across time and space is the product of a single unseen author the Holy Spirit Using the personality and style of each of the different sacred penmen the Spirit so guided their work as to produce documents that expressed the divine mind precisely Thus the Scripture in the original autographs was entirely without error in everything to which it spoke whether pertaining to matters of faith or fact right down to the very words However this amazing book God s message to the human race remains rather mysterious and even inaccessible to many Christians I hope that these summaries will help interested students of the Bible acquire a clearer and more comprehensive understanding of the sixty six canonical books of sacred Scripture making their own Bible study more productive and meaningful
