American Reports ,1912 Containing all decisions of general interest decided in the courts of last resort of the several states 1869 1887 A Phrase-book in English and German Moritz Ertheiler,1845 *Shakespeare And Comedy* Robert

Maslen,2014-03-20 Comedy was at the centre of a critical storm that raged throughout the early modern period Shakespeare

s plays made capital of this controversy In them he deliberately invokes the case against comedy made by the Elizabethan theatre haters They are filled with jokes that go too far laughter that hurts its victims wordplay that turns to swordplay and aggressive acts of comic revenge Through a detailed study which considers tragedies and histories as well as comedies Maslen contends that Shakespeare s use of the comic mode is always calculatedly unsettling and that this is part of what makes it pleasurable

The T'ang Code, Volume II ,2014-07-14 This is the second and final volume of the annotated translation of a seminal Chinese legal text The T'ang Code written in 653 A D is the most important legal text in East Asian history Not only is it China s earliest law code to survive in its entirety influencing all subsequent Chinese law but it has also served as a model for codes of law in other East Asian countries including Japan Korea and Vietnam This is the only translation of the T'ang code into a Western language The first volume of the Code published in translation in 1979 specifies the basic principles of T'ang law and explains the structural standards for applying these principles Volume II describes acts that are punishable by law and enumerates their punishments For contemporary readers the T'ang Code is more than simply a legal document Studying the 445 specific articles sheds considerable light on Chinese culture The portrait that emerges has surprising resonances in present day Chinese society its emphasis on the preservation of the family and the interrelatedness of authority and responsibility for example As Western relations with the countries of East Asia continue to expand today it is increasingly important that we understand the complexities of a legal system that has evolved over more than fifteen centuries The availability of the complete T'ang Code in English is a significant contribution to this understanding Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
