from New York Times and USA Today bestselling author Tara Sue Me For Independent Anna Fitzpatrick being President of the United States means she's finally in a place to make a difference Known for her intellect and charm she never appears anything other than calm After getting dumped by the man she'd been living with once he learned of her presidential bid Anna vows to remain single throughout her term It's an easy task after all no man has ever made her feel the way her law school classmate did years ago Or at least the way he made her feel until he walked away without so much as a goodbye Navin Hazar is content being one of the nation's top news anchors It may not be the plan he had for his life but plans don't always go as anticipated Like his plan for no one to find out he knows Anna personally or did know her once upon a time For twelve years they've been able to ignore each other but her election to the highest office changes everything And when Navin inadvertently lands on Anna's Press Pool they realize the only thing more aggravating than politics is love *Faraway* Edmund Ironside,2013-02-05 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don't know how to escape their meaningless existence They don't even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It's a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and even beyond from Faraway *Herald of Gospel Liberty* Elias Smith,1919 For the Church: Expository Sermons on Titus Joe Tolin, Jr.,2015-09-21 For the Church is an expository series through Paul's Epistle to Titus The series covers a wide range of issues from the qualifications for elder warnings about false teaching and practical Christian living There are sermons on divorce feminism false doctrine good works the Gospel and many other issues Shakespeare's Roman Trilogy Paul A. Cantor,2017-06-28 Paul A Cantor first probed Shakespeare's Roman plays Coriolanus Julius Caesar and Antony and Cleopatra in his landmark Shakespeare's Rome 1976 With Shakespeare's Roman Trilogy he now argues that these plays form an integrated trilogy that portrays the tragedy not simply of their protagonists but of an entire political community Cantor analyzes the way Shakespeare chronicles the rise and fall of the Roman Republic and the emergence of the Roman Empire The transformation of the ancient city into a cosmopolitan empire marks the end of the era of civic virtue in antiquity but it also opens up new spiritual possibilities that Shakespeare correlates with the rise of Christianity and thus the first stirrings of the medieval and the modern worlds More broadly Cantor places Shakespeare's plays in a long tradition of philosophical speculation about Rome with special emphasis on Machiavelli and Nietzsche two thinkers who provide important clues on how to read Shakespeare's works In a

pathbreaking chapter he undertakes the first systematic comparison of Shakespeare and Nietzsche on Rome exploring their central point of contention Did Christianity corrupt the Roman Empire or was the corruption of the Empire the precondition of the rise of Christianity Bringing Shakespeare into dialogue with other major thinkers about Rome Shakespeare's Roman Trilogy reveals the true profundity of the Roman Plays
