The Letters of Seamus Heaney Seamus Heaney, 2024-09-10 The letters provide us with an intimate multilayered understanding of this extraordinary poet's life and mind Every now and again I need to get down here to get into the Diogenes tub as it were or the Colmcille beehive hut or the Mossbawn scullery At any rate a hedge surrounds me the blackbird calls the soul settles for an hour or two In this astute selection from Seamus Heaney's vast correspondence we are given direct access to the life and poetic development of a literary titan from his early days in Belfast through his controversial decision to settle in the Republic to the gradual broadening of horizons that culminated in the award of the Nobel Prize in Literature and the years of international eminence that kept him heroically busy until his death Christopher Reid draws from both public and private archives to reveal this remarkable story in the poet's own words Generous funny exuberant confiding irreverent empathetic and deeply thoughtful *The Letters of Seamus Heaney* encompasses decades long relationships with friends and colleagues as well as an unstinted responsiveness to passing acquaintances Heaney's mastery of language is as evident here as it is in any of his writings listening to his voice we find ourselves in the same room as a man whose presence enriched the world and whose legacy deepens our sense of what truly matters *Talking with Poets* Harry Thomas, 2010-07-13 The five interviews in this book were conducted by students in *The Art of Poetry* a course that Harry Thomas taught for several years The students' depth of knowledge and keenness of insight into the poet's work is an affirmation of American education The poets respond to the students with a frankness and feeling of fraternity that mounts at times to a sort of communion The poets take up a great range of matters in the interviews the nature of artistic creation the varieties and difficulties of poetic translation poetry and politics religion popular culture the contemporary readership for poetry and the experience of living as a poet in a country not your own They speak with familiarity and enthusiasm of a number of writers including Eliot Joyce Rilke Brodsky Pound Ovid Dante Raleigh Wordsworth Keats Mandelstam and Wilde One of the delights of reading these interviews is to observe the poets responding to the same matter for instance Seamus Heaney speaking of Robert Pinsky's translation of Czeslaw Milosz's great poem *The World* and Robert Pinsky speaking at length of Seamus Heaney's essay in *The Government of the Tongue* on Pinsky's translation This is an intimate look into the minds of five of our most celebrated contemporary poets and an invigorating meditation on some of our most human concerns *Northern / Irish Feminist Judgments* Máiréad Enright, Julie McCandless, Aoife O'Donoghue, 2017-02-09 The Northern Irish Feminist Judgments Project inaugurates a fresh dialogue on gender legal judgment judicial power and national identity in Ireland and Northern Ireland Through a process of judicial reimagining the project takes account of the peculiarly Northern Irish concerns in shaping gender through judicial practice This collection following on from feminist judgments projects in Canada England and Australia takes the feminist judging methodology in challenging new directions This book collects 26 rewritten judgments covering a range of substantive areas As well as opinions from appellate courts the

book includes first instance decisions and a fictional review of a Tribunal of Inquiry Each feminist judgment is accompanied by a commentary putting the case in its social context and explaining the original decision The book also includes introductory chapters examining the project methodology constructions of national identity theoretical and conceptual issues pertaining to feminist judging and the legal context of both jurisdictions The book shines a light on past and future possibilities and limitations for judgment on the island of Ireland This book provides a rich and expansive addition to the feminist judgments catalogue The judgments demonstrate powerfully how Northern Irish judges have contributed to the gendered politics of national identity and how the narrow subject positions they have created for women and others could have been so much wider and more open Professor Rosemary Hunter School of Law Queen Mary University London The Northern Irish Feminist Judgments Project is inspirational reading for anyone interested in feminism or Irish studies It is a model of how to conduct feminist enquiry Its most innovative contribution to scholarship and politics is how the rewriting of landmark legal judgments from a feminist perspective allows us to imagine and therefore begin to construct a more egalitarian a more just future Associate Professor Katherine O'Donnell School of Philosophy University College Dublin If you let it this book will make you think It made me think it reminded me I suppose that legal writing can be wonderful rigorous creative deeply observant provocative Read it and see what it makes you think Professor Theresa Murphy School of Law Queen's University Belfast

The Flight of the Vernacular Maria Cristina Fumagalli, 2021-10-18 In this book Dante Seamus Heaney and Derek Walcott engage in an eloquent and meaningful conversation Dante's capacity for being faithful to the collective historical experience and true to the recognitions of the emerging self the permanent immediacy of his poetry the healthy state of his language which is so close to the object that the two are identified and his adamant refusal to get lost in the wide and open sea of abstraction all these are shown to have affected and to continue to affect Heaney's and Walcott's work The Flight of the Vernacular however is not only a record of what Dante means to the two contemporary poets but also a cogent study of Heaney's and Walcott's attitude towards language and of their views on the function of poetry in our time Heaney's programmatic endeavour to be adept at dialect and Walcott's idiosyncratic redefinition of the vernacular in poetry as tone rather than as dialect apart from having Dantean overtones are presented as being associated with the belief that poetry is a social reality and that language is a living alphabet bound to the opened ground of the world Seamus Heaney

Rand Brandes, Michael J. Durkan, 2008 Poetry **Seamus Heaney and the Adequacy of Poetry** John Dennison, 2015 Seamus Heaney's prose poetics return repeatedly to the adequacy of poetry its ameliorative restorative response to the violence of public historical life It is a curiously equivocal ideal and as such most clearly demonstrates the intellectual origins the humanist character and the inherent strains of these poetics the work of one of the world's leading poet critics of the last thirty years Seamus Heaney and the Adequacy of Poetry is the first study of the development of Heaney's thought and its central theme Eschewing the tendency of Heaney critics to endorse or expand on the poet's poetics in largely adulatory

terms it draws on archival as well as print sources to trace the emerging dualistic shape redemptive logic and post Christian nature of Heaney's thought from his undergraduate formation to the expansive affirmations of his late cultural poetics Through a meticulous and wholly new examination of Heaney's revisions to previously published prose it reveals the logical strain of his conceptual constructions so that it becomes acutely apparent just how appropriate that ambivalent ideal adequacy is This book takes seriously the post Christian frequently religious tenor of Heaney's language explicating the character of his thought while exposing its limits Heaney's belief in poetry's adequacy ultimately constitutes an Arnoldian substitute for indeed an afterimage of Christian belief This is the deep significance of the idea of adequacy to Heaney's thought it allows us to identify precisely the late humanist character and the limits of his troubled trust in poetry *Cultural Translation and Postcolonial Poetry* A. Bery, 2007-11-21 This book uses the framework of cultural translation to explore the work of six significant modern writers from Ireland India Australia and the Caribbean Written in an accessible and approachable style it will be of interest not only to specialists in postcolonial literatures but also readers of modern and contemporary poetry more generally **A Dictionary of Hiberno-English** T. P. Dolan, Terence Patrick Dolan, 2006 The paperback version of the a revised and expanded edition of the standard dictionary in the field Dolan's seminal work has established its pre eminent position as the leading reference authority on the form of English spoken in Ireland **The Oxford History of the Irish Book, Volume V** Clare Hutton, Patrick Walsh, 2011-06-23 Part of a series providing an authoritative history of the book in Ireland this volume comprehensively outlines the history of 20th century Irish book culture This book embraces all the written and printed traditions and heritages of Ireland and places them in the global context of a worldwide interest in book histories *Seamus Heaney as Aesthetic Thinker* Eugene O'Brien, 2016-04-04 Seamus Heaney's unexpected death in August 2013 brought to completion his body of work and scholars are only now coming to understand the full scale and importance of this extraordinary career The Nobel Prize winning poet translator and playwright from the North of Ireland is considered the most important Irish poet after Yeats and at the time of his death arguably the most famous living poet For this reason much of the scholarship to date on Heaney has understandably focused on his poetry O'Brien's new work however focuses on Heaney's essays book chapters and lectures as it seeks to understand how Heaney explored the poet's role in the world By examining Heaney's prose O'Brien teases out a clearer understanding of Heaney's sense of the function of poetry as an act of public intellectual and ethical inquiry In doing so O'Brien reads Heaney as an aesthetic thinker in the European tradition considering him alongside Heidegger Derrida Lacan and Adorno Studying Heaney within this theoretical and philosophical tradition sheds new and useful light on one of the greatest creative minds of the twentieth century *A Companion to Poetic Genre* Erik Martiny, 2011-10-13 A COMPANION TO POETIC GENRE A COMPANION TO POETIC GENRE This eagerly awaited Companion features over 40 contributions from leading academics around the world and offers critical overviews of numerous poetic genres Covering a range of cultural traditions from Britain

Ireland North America Japan and the Caribbean among others this valuable collection considers ancient genres such as the elegy the ode the ghazal and the ballad before moving on to Medieval and Renaissance genres originally invented or codified by the Troubadours or poets who followed in their wake The book also approaches genres driven by theme such as the calypso and found poetry Each chapter begins by defining the genre in its initial stages charting historical developments and finally assessing its latest mutations be they structural thematic parodic assimilative or subversive

Sacrifice and Modern War Literature Alex Houen, Jan-Melissa Schramm, 2018-06-14

Sacrifice and Modern War Literature is the first book to explore how writers from the early nineteenth century to the present have addressed the intimacy of sacrifice and war It has been common for critics to argue that after the First World War many of the cultural and religious values associated with sacrifice have been increasingly rejected by writers and others However this volume shows that literature has continued to address how different conceptions of sacrifice have been invoked in times of war to convert losses into gains or ideals While those conceptions have sometimes been rooted in a secular rationalism that values lost lives in terms of political or national victories spiritual and religious conceptions of sacrifice are also still in evidence as with the martyrdom operations of jihadis fighting against the war on terror Each chapter

presents fresh insights into the literature of a particular conflict and the contributions explore major war writers including Wordsworth Kipling Ford Madox Ford and Elizabeth Bowen as well as lesser known authors such as Dora Sigerson Richard Aldington Thomas Kinsella and Nadeem Aslam The volume covers multiple genres including novels poetry particularly elegy and lyric memoirs and some films The contributions address a rich array of topics related to wartime sacrifice including scapegoating martyrdom religious faith tragedy heroism altruism bare life atonement and redemption
