A new history of England Thomas Mortimer,1765 [A Long Time Burning](#) Donald Thomas,2024-12-06 Censorship of the written word has proved a constant source for debate and argument To cut or not to cut is a question with a long and fascinating history First published in 1969 *A Long Time Burning* is an account of the political religious and moral censorship of literature in the context of English literary history It is

principally concerned with the evolution of a modern pattern of censorship between the abolition of licensing in 1695 and the late Victorian period The author outlines the motives and methods of censorship illustrating these by more detailed discussion of such cases as those involving Edmund Curll John Wilkes Thomas Paine William Hone Richard Carlile William Dugdale and Henry Vizetelly The unofficial trade in banned books and the campaigns of the Proclamation Society the Society for the Suppression of Vice and the National Vigilance Association are described with the aid of some previously unpublished material The book includes an anthology of illustrative material quoting extracts from publications banned at various times and for various reasons Pages from such books as *Venus in the Cloister* are reprinted for the first time in more than two centuries while the other documents range from the Blasphemy Act of 1698 to a prosecution brought under the Race Relations Act of 1965

Conduct Books for Girls in Enlightenment France Nadine Berenguier, 2016-05-23

During the eighteenth century at a time when secular and religious authors in France were questioning women's efforts to read a new literary genre emerged conduct books written specifically for girls and unmarried young women In this carefully researched and thoughtfully argued book Professor Nadine Berenguier shares an in depth analysis of this development relating the objectives and ideals of these books to the contemporaneous Enlightenment concerns about improving education in order to reform society Works by Anne Thérèse de Lambert Madeleine de Puisieux Jeanne Marie Leprince de Beaumont Louise d'Epinay Barthélemy Graillard de Grville Chevalier de Cerfvol abb Joseph Reyre Pierre Louis Roederer and Marie Antoinette Lenoir take up a wide variety of topics and vary dramatically in tone But they all share similar objectives acquainting their young female readers with the moral and social rules of the world and ensuring their success at the next stage of their lives While the authors regarded their texts as furthering the common good they were also aware that they were likely to be controversial among those responsible for girls education Berenguier's sensitive readings highlight these

tensions as she offers readers a rare view of how conduct books were conceived consumed re edited memorialized and sometimes forgotten In the broadest sense her study contributes to our understanding of how print culture in eighteenth century France gave shape to a specific social subset of new readers modern girls

McGann,Anne Lake Prescott,Barry V. Qualls,Claire Waters,2016-12-13 In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light Fully grounded in sound literary and historical scholarship the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser known writers The anthology also provides wide ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race gender class and sexual orientation It includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background It features accessible and engaging headnotes for all authors extensive explanatory annotations and an unparalleled number of illustrations and contextual materials Innovative authoritative and comprehensive The Broadview Anthology of British Literature has established itself as a leader in the field The full anthology comprises six bound volumes together with an extensive website component the latter has been edited annotated and designed according to the same high standards as the bound book component of the anthology and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes The two volume Broadview

Anthology of British Literature Concise Edition provides an attractive alternative to the full six volume anthology. Though much more compact, the concise edition nevertheless provides instructors with substantial choice, offering both a strong selection of canonical authors and a sampling of lesser known works. With an unparalleled number of illustrations and contextual materials, accessible and engaging introductions, and full explanatory annotations, the concise edition of this acclaimed Broadview anthology provides focused yet wide ranging coverage for British literature survey courses. Among the works now included for the first time in the concise edition are Chaucer's *The Prioress's Tale*, the *York Crucifixion* play, more poems from Sidney's *Astrophil and Stella*, an expanded section of writings by Elizabeth I, more poems by Lady Mary Wroth, and an expanded selection of work by Margaret Cavendish. The literatures of Ireland, Gaelic Scotland, and Wales are now much better represented, and a selection of work by Laboring Class Poets is now included. There are also new contextual materials, including a substantial section on Transatlantic Currents. In the case of several authors and texts, among them *The Four Branches of the Mabinogi*, Julian of Norwich, Sir Thomas Malory, and Phillis Wheatley, the new edition will incorporate substantial improvements that have been made in the new editions of the period volumes published in recent years. As before, the Concise edition includes a substantial website component providing instructors with a great degree of flexibility. For the first time, a selection of Chaucer's *Canterbury Tales* will be available online in facing column format, with versions in modern English included opposite the original text.
