The Muralist S Ghost:

The Muralist's Ghost Karen Mocker Dabson, 2014-11-13 In this tale of suspense based on actual events famed Croatian artist Maxo Vanka comes face to face with the phantom that haunts St Nicholas Catholic Church as he paints his second set of murals for the parish The ghost only appears to the artist and Maxo must comb through his past and the present to learn its secret before he comes to personal harm and his paintings and the church are damaged forever The Muralist B. A. Shapiro, 2015-11-03 Don t miss B A Shapiro s new novel Metropolis available now Vibrant and suspenseful Like The Art Forger this new story takes us into the heart of what it means to be an artist The Washington Post B A Shapiro captivated us in 2012 with her addictive novel The Art Forger Now she's back with another thrilling tale from the art world Entertainment Weekly When Aliz e Benoit an American painter working for the Works Progress Administration WPA vanishes in New York City in 1940 no one knows what happened to her Not her Jewish family living in German occupied France Not her artistic patron and political compatriot Eleanor Roosevelt Not her close knit group of friends including Mark Rothko Jackson Pollock and Lee Krasner And some seventy years later not her great niece Danielle Abrams who while working at Christie's auction house uncovers enigmatic paintings hidden behind works by those now famous Abstract Expressionist artists Do they hold answers to the questions surrounding her missing aunt The Mural Michael Mallory, 2012-02-07 Hidden in the desolate woods on the Central California coast lost to time and memory is a WPA mural unlike any other created during the 1930s This one was not simply fashioned from charcoal and paint it was crafted out of undying evil the evil of an ancient demonic army called Legion When structural inspector Jack Hayden stumbles upon the mural in a ruined civic building he tries to convince himself that it might add to the crumbling structure s value But that note of hopefulness is quickly replaced by terror as the mural spreads its cruel nightmarish horror over Hayden and everyone in his life Soon he s leading his own attack force made up of those who have managed to fend off the evil of the mural in their souls but now must do so in physical terms or die trying The fictional debut of a new master of horror fiction The Muralist's Ghost V2 Karen Mocker Dabson, 2014-11-19 In 1941 Maxo Vanka is commissioned to paint murals in a tiny church near Pittsburgh The job is perfect until a ghost that only he can see returns to terrify him in the deep midnight hours as he works It is the second time that the artist has been invited to create murals by the local priest who has become a good friend Father agar a progressive clergyman gives the artist free rein Despite his fears Maxo pours out his passions on the walls especially his hatred of war as the Nazis encroach across Europe and into his beloved Yugoslavia Soon frightening scenes in vivid strokes and ominous colors reel from the church s surfaces but they cannot rival the chill silent oppression wrought by the tall faceless spirit when it appears without warning Maxo vows to solve the mystery of the specter alone and does not tell the priest that the ghost from four years ago is back Instead he explores his own past for clues about why the spirit descends upon him and only him However when one of his paintings is ravaged and the church sustains damage Maxo realizes that he may face a much graver
