Beyond Recognition Ridley Pearson, 2025-05-01 Seattle police sergeant Lou Boldt is stunned when the local fire investigator presents him with frightening evidence in a series of fires that have occurred in the Seattle area. These white hot fires burn so cleanly that even the ash disintegrates leaving not a trace of its victims or any evidence of criminal activity. Ride the Man Down William Maltese, 2009 The Ridgemonts are wealthy and influential New Mexico Territory landowners. Their status purportedly is purchased by seemingly inexhaustible capital provided by their reputed Deadmen Hills gold mine. It's only human nature that others want to share in their bounty. That these others have to die has less to do with keeping the mine location a secret than with concealing other mysteries bequeathed by the long lived and elusive native American shaman Calenza. Secrets even the Ridgemonts can likely never fully comprehend. 1 in A New World Shaman series.

The Playmaker Andrew Grey, 2016-11-18 Professional football player Hunter Davis is learning that saying he's gay is very different from actively being in a relationship with another man especially in the eyes of his teammates and fans. So when Hunter needs a personal assistant to keep him organized he asks for a woman in order to prevent tongues from wagging. Montgomery Willis badly needs to find work before he loses everything. There's just one position at the agency where he applies but the problem is he's not a woman. And he knows nothing about football. Still Hunter gives him a chance but only because Monty's desperate. Monty soon proves his worth by saving Hunter's bacon on an important promotional shoot and Hunter realizes he might have someone special working for him in more ways than one. Monty's feelings come to the surface during an outing in the park when Hunter decides to teach Monty a bit about the game and pictures surface of them in some questionable positions. Hunter is reminded that knowing he's gay and seeing evidence in the papers are two very different things for the other players and he might have to choose between two loves football and Monty.

The troubled kid from her youth has turned into a sexy, successful TV celebrity, but Hannah's wary of his player past and the rampant rumors connecting him to beautiful socialites. Still, she can't help but give in when their attraction reaches a boiling point. Trying to keep their fling a secret from her overprotective brother is one thing, but when Hannah finds herself unexpectedly expecting, her life is thrown upside down. DI Buchanan's survival depends on his ability to fight this evil on its own terms and on its own territory. His long-term friends and colleagues are no longer what they seem; any misplaced trust will spell disaster. The local community of Calderhill is steeped in traditions and folklore that are alien to all normal human traits. Buchanan finds himself inexplicably linked with the past history and the future survival of the inhabitants of Calderhill. Taking sides and entering into the eternal struggle for survival in a battle between good and evil can only be decided once you decide which side is which.
