The New Testament Illustrated:

The Visual Word Patrick Schreiner, 2021-06-01 The New Testament shouldn't be complicated. So why are we often confused? Every Christian wants to love the Bible. But let's face it: we sometimes get lost in all the names, places, and doctrines that we find in its pages. Who wrote this epistle? Which book is about justification? Joy? Jesus? Aren't they all about him? The New Testament contains complex ideas and multiple genres. Keeping it straight can be hard to do. Wouldn't it be nice if somebody who understands the big picture would put it together for us in one place? Biblical scholar and seminary professor Patrick Schreiner draws from his years of experience as a teacher to offer a simple and memorable way of understanding Scripture. And he doesn't do it by throwing big words at you. The contours of the New Testament and its underlying structure are depicted in visual format along with Schreiner's clear explanations. In The Visual Word, the Bible comes alive because you can see it pictured before your eyes. By taking a graphic approach, you'll notice connections you've never seen before. Gain insights you've missed all these years. And discover an overall pattern that makes each separate piece fall perfectly into place. Don't settle for mere summaries of the New Testament. Let Schreiner's concise words and crisp images work together to help you encounter the Living Word in a fresh way. **The Holy Bible Illustrated**, 1806 **The New Testament Illustrated**

Scripture searchings in the New Testament illustrating the structure of man Edgar Dyke Whitmarsh, 1877 The Complete Illustrated New Testament Centennial Books, 2020-10-20 The Bible is not only the best-selling book of all time, but it is also the best-selling book of the year every year. It's with good reason. Its content is as relevant as ever. That's why the average household owns four of them. The Complete Illustrated New Testament is unabridged and delivered in an innovative, easy-to-read visual format with carefully selected works of art to help bring the readings to life. This volume is full of stories and parables that ring as true today as when they were written centuries ago. Take time to ponder the lessons we can learn from Jesus and the Gospel writers. Together we can put them into action in our own lives and communities. In a world that is constantly moving, pulling our attention to screens, noise, commercialism, and instant everything, we all need time to step back, breathe, and consider what's most important to us. **BONUS** Throughout the book, the most important verses in each chapter of the Bible are printed as pull quotes in varying sizes, each size depending on how many times the specific verse is quoted on the internet, giving the reader a truly unique way to access the New Testament's most significant teachings.
