Fargo Trail Book #2) James Walker,1994-11-01 The Gold Bandits Struck with Impunity But Zac Cobb Could Not Abide Injustice With rumors swirling around a series of stolen gold shipments Wells Fargo sends Zachary Cobb to the California gold fields to investigate the unsolved robberies A gang of vigilantes called the Vindicators have taken it upon themselves to prosecute men suspected of the hold ups but while innocent people are being lynched the real bandits seem able to strike with impunity any time they choose Maintaining his undercover status by visiting a cantakerous aunt who lives nearby Zac discovers that the Vindicators are controlled by corrupt federal officials He also discovers the judge to be a former commander of a Union prison camp where two of his brothers were imprisoned during the Civil War Emily Morgan whose fianc was lynched by the vigilantes and whose brother is the local sheriff helps Zac in his search She is determined to bring all those involved to justice even if it includes her own kin But when Jenny Hays shows up at his aunt s house and is pulled into the mystery Zac has much more than a dangerous investigation to solve **The Night-Riders** Ridgwell Cullum,2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Wicked Western Kentucky* Richard Parker,2022-01-17 Western Kentucky has always had a dark side despite being the Birthplace of Bluegrass Music Mary James Trotter an arrested moonshine selling grandma remarked to a judge that she simply had to sell a little liquor now and then to take care of my four grandchildren Rod Ferrell led a bloodsucking vampire cult in Murray Kentucky and traumatized parents of the 1990s In the early morning of July 13 1928 at the Castle on the Cumberland seven men were put to death in Kentucky s deadliest night of state sponsored executions Join award winning author Richard Parker as he takes you on a journey through fifteen of Western Kentucky s most nefarious people places and events The Night Riders Matt Laidlaw,2017-04-01 Jim Gatlin rode into Cedar Creek hunting the man who had framed him for a crime he didn t commit Pinkerton agent Charlie Pine had located the real train robber called Hood but outlaws Hidalgo Wilson and River were also after him for the fortune locked away in a safe at Hood s home Why was Hood s location a dark secret even in Cedar Creek Why were Marshal Jax Silva and the two hard men Green and Mundt determined to keep it that way Against overwhelming odds Gatlin would have to face a bloody showdown and it would take all his skill and courage to unlock a truly shocking secret **The night riders** Don Ross,1991 The Night Riders Henry Cleveland Wood,2016-06-24 Forks Settlement no longer occupies its place upon the ordnance map of the state of Montana At least not the Forks Settlement the one which nestled in a hollow on the plains beneath the shadow of the Rocky Mountains It is curious how these little places do contrive to slip off the map in the course of time There is no doubt but that they do and are wholly forgotten except perhaps by those who actually lived or visited there It is this way with all growing countries and

anywhere from twenty to thirty years ago Montana was distinctly a new country **The Night-Riders** Ridgwell Cullum,2015-09-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Racial Violence In Kentucky** George C. Wright,1996-02-01 Wright vividly portrays the clash between racist militants and blacks who would not submit to terror The book makes clear the brutality concealed beneath the surface veneer of moderation Journal of Southern History In this investigative look into Kentucky s race relations from the end of the Civil War to 1940 George C Wright brings to light a consistent pattern of legally sanctioned and extralegal violence employed to ensure that blacks knew their place after the war In the first study of its kind to target the racial patterns of a specific state Wright demonstrates that despite Kentucky s proximity to the North its black population was subjected to racial oppression every bit as severe and prolonged as that found farther south His examination of the causes and extent of racial violence and of the steps taken by blacks and concerned whites to end the brutality has implications for race relations throughout the United States **The Night Riders** Ridgwell Cullum,2015-02-21 already he finished up good naturedly But the other s attention was not to be diverted from the interesting spectacle of the corduroys and he answered without shifting his gaze My name s Ranks gener ly called Slum Howdy *The Night Riders* Todhunter Ballard,1961 **Todd Co, KY - Family Hist** ,1995-06-15 **Obituaries of Benton County, Arkansas, Volume 3, 1905-1909** Verla P. McAnelly,1994-01-01 Alphabetically arranged obituary abstracts include all genealogical data given and annotations E0196HB 41 50 **Up from the Mudsills of Hell** Connie L. Lester,2006-12-01 Up from the Mudsills of Hell analyzes agrarian activism in Tennessee from the 1870s to 1915 within the context of farmers lives community institutions and familial and communal networks Locating the origins of the agrarian movements in the state s late antebellum and post Civil War farm economy Connie Lester traces the development of rural reform from the cooperative efforts of the Grange the Agricultural Wheel and the Farmers Alliance through the insurgency of the People s Party and the emerging rural bureaucracy of the Cooperative Extension Service and the Tennessee Department of Agriculture Lester ties together a rich and often contradictory history of cooperativism prohibition disfranchisement labor conflicts and third party politics to show that Tennessee agrarianism was

more complex and threatening to the established political and economic order than previously recognized As farmers reached across gender racial and political boundaries to create a mass movement they shifted the ground under the monoliths of southern life Once the Democratic Party had destroyed the insurgency farmers responded in both traditional and progressive ways Some turned inward focusing on a localism that promoted sometimes through violence rigid adherence to established social boundaries Others however organized into the Farmers Union whose membership infiltrated the Tennessee Department of Agriculture and the Cooperative Extension Service Acting through these bureaucracies Tennessee agrarian leaders exerted an important influence over the development of agricultural legislation for the twentieth century Up from the Mudsills of Hell not only provides an important reassessment of agrarian reform and radicalism in Tennessee but also links this Upper South state into the broader sweep of southern and American farm movements emerging in the late nineteenth century The Night Riders Justin Ladd,1989-01-01 Origins of the New South, 1877-1913 C. Vann Woodward,1981-08-01 Winner of the Bancroft Prize After more than two decades Origins of the New South is still recognized both as a classic in regional historiography and as the most perceptive account yet written on the period which spawned the New South Historian Sheldon Hackney recently summed it up this way The pyramid still stands Origins of the New South has survived relatively untarnished through twenty years of productive scholarship including the eras of consensus and of the new radicalism Woodward recognizes both the likelihood of failure and the necessity of struggle It is this profound ambiguity which makes his work so interesting Like the myth of Sisyphus Origins of the New South still speaks to our condition This enlarged edition contains a new preface by the author and a critical essay on recent works by Charles B Dew
