Dance Carol Wallace, 1986 Twirling figures gloved hands clasped the strains of the violin These words from the first essay in this delightful book could be describing an eighteenth century minuet performed by aristocratic guests at a Versailles ball a nineteenth century cotillion of white gowned debutantes in New York or a stylish moment created on the silver screen by Fred Astaire and Ginger Rogers The steps and the music and the dresses may vary but the exciting and elegant sight of society enjoying itself on the dance floor has persisted through the ages In this book published to coincide with an exhibition held at the Costume Institute of the Metropolitan Museum of Art under the direction of Diana Vreeland four authors look at the subject of social dancing from four different points of view Carol McD Wallace surveys the great balls and dancing parties of Europe England and America from the eighteenth century to the present while Don McDonagh describes the dance steps themselves from the early basse danse of Italy to the twist of modern day America Jean Druesedow associate curator in charge of the Costume Institute discusses the evolution of the ball gown and other costumes designed for dancing and Laurence Libin curator of musical instruments assisted by Constance Old analyzes the way in which dance has been depicted

in works of art through the centuries Illustrated with paintings works of decorative art contemporary prints and photographs these lively essays re create the rhythmic energy the social proprieties the colorful costumes and anecdotes of dances and dancers past and present from dust jacket Allegorical, figurative and symbolical John Bunyan,1853 **Christian Meat for Christian Muscles** Sandtorock,2015-06-02 Being strong in the Lord is essential for successful Christian living This is the underlying premise of Christian Meat for Christian Muscles Strength in the Lord means that every area of our lives will benefit from a good dose of spiritual nutrition with Jesus as the main course How so Our self esteem can benefit our character can benefit our wisdom can benefit and so to can our faith our love and our appreciation of Christian values It will require strength to lay hold of these spiritual treasures because there is a mighty battle on to stop us But thankfully spiritual strength is dispensed directly from the Lord Spiritual nutrition from Jesus Christ is what He meant when He himself said unless you eat the flesh of the Son of Man and drink His blood you have no life in you Whoever eats my flesh and drinks my blood has eternal life and I will raise him up at the last day John 6 53 54 NIV Of course Hes talking about His own gospel which has the power to save us strengthen us and make us worthy of His name and of Gods mighty Kingdom This book will examine pivotal verses that facilitate the strengthening process See sandtorock com for more info on this important topic

From Metaphor to Direct Speech E Susanna Weygandt, 2025 New Drama a collection of actors directors and playwrights in Russia Ukraine and Belarus is one of the most active and vibrant artistic movements in the Russophone world today yet remains understudied in the West E Susanna Weygandt demonstrates that the major innovation of New Drama is a sonic turn an aesthetic development that moves away from traditional Stanislavskian embodied performance to something almost purely aural New Drama which began in the tumult following the collapse of the Soviet Union and continues even in an increasingly censorious Russia today emphasizes contemporary social issues and privileges disadvantaged voices using documentary modes to literally bring the voices of the dispossessed to the ears of the audience members As a result the Russophone New Dramatists speak dissent and dramatize resistance Ultimately they shift theatrical productions from something constrained and limited in both place and time to an ephemeral but unbounded gateway for social activism The sonic stage thus effectively functions as a social forum transposing action from the actors to the audience From Metaphor to Direct Speech therefore contributes to cultural as well as performance studies offering a compelling look not just at developments in theatrical modes but also at dissent and cultural aesthetics in Russia today
