compare God's instructions for a nation OT with God's instructions for freely gathered communities of faith who follow Jesus as Messiah NT These changes will be highlighted in the chapters of this volume along with other key principles for understanding differences between the Old and New Testament God's greater purposes will be in view along with current insights and concepts

The Church In Many Houses Steve Cordle, 2014-01-01 Although the largest churches in the world are cell based many have questioned whether the model will work in North America The Church In Many Houses Reaching Your Community Through Cell Based Ministry makes the case that the cell model will work if key assumptions about spiritual growth and the nature of the church are reexamined and renewed By drawing on scripture research and insights gained through personal experience as the pastor of a growing cell church Steve Cordle identifies the four pivotal philosophical shifts necessary for the cell approach to work These are mindset shifts that move from programs to relationships the purposes of the church are best fulfilled in the cell group instead of in programs member to disciple maker every member can and should become a group leader educating to equipping spiritual growth is not knowing more but applying more come and see to go and show the power of penetration evangelism Impose a cell structure upon a congregation that has not yet made these philosophical shifts we are likely to fail But when people adopt these biblical mindset changes the cell approach will seem natural and will result in great unity and effectiveness The Church In Many Houses will help congregations make the changes that are necessary for success

"Go Into All the World" A Study of the Great Commission Texts Dr. Daniel L. Butler, 2009-09-01 The Great Commission stands as the single most important aspect of New Testament mandates and without its realization Christianity would have died believers would have failed to pass Christian truths to others Obviously Jesus mandate to make disciples continues to impact the world and through this manuscript author Dr Daniel Butler has thoroughly examined the Great Commission texts Furthermore by considering the only history book of the church in the New Testament Acts the study examines the church's understanding implementation

and fulfillment of Jesus commissioning words Although the Great Commission may appear flawed with discrepancy at first blush the student of this material will walk with the author through each of Jesus commissioned texts in detail compare their similarities contrast any differences and emerge with a consolidated grasp of Jesus mandate to make disciples By reconciling every potential discrepancy distilling the commission elements into a summary and examining the disciples response in the book of Acts the student of this study will experience enlightenment and understanding through grasping Jesus most important words and observing the early church's fulfillment
