The Mean Mom S Guide To Raising Great Kids:

The Mean Mom's Guide to Raising Great Kids Joanne Kraft, 2015 The Mean Mom s Guide to Raising Great Kids encourages overly nice marshmallow moms to instill a few much needed boundaries It motivates parents to stand their ground when childrearing is tough most especially when a child doesn t like them for it Covering parenting from preschool to high school each of the four sections highlights topics specific to each age Scripture is weaved throughout as a continual reminder of God s truth and Mom 2 Mom quotes at the end of each chapter are filled with heartfelt transparency from dozens of moms who lent their own experiences to encourage the reader Mean moms encourage openly love passionately and know full well being called mean by her child is oftentimes a compliment *The Unbreakable Boy* Scott Michael

LeRette, 2014-11-18 Discover a heartwarming true story of joy hope and resilience Now a major motion picture starring Zachary Levi *The Unbreakable Boy* is the raucously tender story of the life of a teenage boy with autism and a rare brittle bone disease who joyfully embraces life s tragedies and triumphs Like any other teenage boy Austin loves pizza movies dancing and girls But unlike most other eighteen year olds he has a rare brittle bone disease was locked in a mental ward as a child and is autistic Yet Austin doesn t let any of that stop him Every day is the best day in the world to him and one of his main goals in life is to show his broken father and anyone else hanging around that life is all about unabashed faith and love Written with remarkable candor by Austin s father Scott and New York Times best selling author Susy Flory *The Unbreakable Boy* weaves the beautiful and often humorous tale of how Austin teaches his father and everyone else he encounters to have faith in God and trust that one day life s messes will all make sense Austin s journey dares us all to believe that Miracles are possible Hope does spring eternal We can find joyous moments to celebrate every day Austin s magic touch will convince you that whatever life challenges you face can always be answered with love Grab a front row seat and learn from the *Unbreakable Boy* how to live a life of joy hope and resilience regardless of your circumstances **Raising Great Kids**

Henry Cloud, John Townsend, 2009-09-01 What does it take to raise great kids If you ve read any books on parenting conflicting opinions have probably left you feeling confused Get tough Show acceptance Lay down the rules Lighten up already There s got to be a balance and there is Joining their expertise with the wisdom of MOPS International Mothers of Preschoolers Drs Henry Cloud and John Townsend help you provide both the care and acceptance that make grace real to your child and the firmness and discipline that give direction Avoiding the twin extremes of permissiveness and over control Drs Cloud and Townsend show how you can help your child cultivate six necessary character traits attachment responsibility reality competence morality and worship spiritual life At last here is an effective middle ground for raising up children who will handle life with maturity and wisdom *Raising Great Kids* will help you equip your son or daughter to accept life s responsibilities grow from its challenges and freely and fully explore all that it has to offer [Mothering from Scratch](#) Melinda Means, Kathy Helgemo, 2015-01-13 Discover Your Personal Parenting Style Most parenting books present a cookie

cutter approach which may or may not apply to all personalities and family dynamics Mothering From Scratch shows mothers how to develop their own style that helps them be the best mom for their kids and restores the joy of mothering Full of solid biblical truth this book encourages moms to explore their personalities and examine their strengths and weaknesses in order to find what works for them tap into the resources surrounding them and get mentoring and support from other moms push past the fear of change or doing it wrong and allow room for grace in their mothering Melinda Means and Kathleen Helgemo provide a flexible customizable approach to help moms discover their optimal parenting style

Breaking the Good Mom Myth Alyson Schafer, 2008-05-19 As a psychotherapist parent educator and parent coach Alyson Sch fer has worked with a great many mothers who in the quest to be a good mother have ended up on the door step of despair Alyson is a forty something suburbanite working mother of two and can speak to these issues both personally and professionally This book explains the psycho social phenomena of how each person creates their own unique good mother myth and then examines why these myths are not only faulty but could in fact lead to poor parenting marital disaster and individual crisis Her years of educating parents around these concepts afford Alyson the skill to take complex ideas and explain them to a lay audience in a compelling and easy to understand way Capitalizing on the

need to present parents with information in an easy to digest format the book is presented as a series of personal stories each highlighting a common parenting myth This format will appeal to tired parents who have little time and energy for academia Instead readers learn by taking a voyeuristic peek into the private family lives of the book s characters Readers can identify with the fictitious parents and coaching clients in the stories and see first hand how the characters life experiences shaped their unique good mother myths and how these myths create conflict in their lives The author offers up ideas for how the character can reject her current thinking and adopt a more useful outlook to improve her situation The story arc allows readers to identify and then project how their parenting may be unknowingly going off the rails The goal of this book is to provide parents with some basic education and a means of self discovery Readers uncover their own good mother myths and are given an eye opening glimpse into potential issues to challenge their thinking A great sense of empowerment is restored as mothers become better able to resist the pulls of their personal and cultural myths and instead begin parenting with greater intention and in ways that are more suitable to proper child guidance

Critical Conversations Tom Gilson, 2016 Christian parents need to be prepared to answer the myriad challenges teens might hear in today's increasingly pro homosexual culture Why shouldn't gays get married Who says gay sex is wrong Does the Bible actually say there's anything wrong with homosexuality Don't you care that kids are being bullied just for being themselves To start the discussion Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s He explains how and why cultural attitudes have reversed on this subject in such a short timespan leaving Christians scrambling for answers This is perhaps the most complicated and contentious issue Christians face in today's culture Most churches are poorly equipped to handle it parents are even less prepared The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic Learning together parents struggling through these issues alongside their kids and leading them to biblical answers has relational benefits Answers are important though so manageable nontechnical answers to common questions surrounding this issue are provided as well as a guide to further resources
