The Messengers And The Forgotten Choice:

The Messengers and the Forgotten Choice Obadiah Dalrymple, 2014-11-04 Most people believe in the spiritual world with about the same amount of conviction that they believe in the Easter bunny and even less do they consider how angels and demons interact with human freewill But for twenty year old Micah Jones sinister supernatural events begin to confront him opening his eyes to the world behind our world altering his perception of reality and changing his life forever *The Messenger*, 1903

The Mess in the Messenger Warren P. Chavers, 2008-02 In stark opposition to the prosperity gospel that seems to permeate every aspect of the media and large scale outreach programs today Dr Warren P Chavers takes the stand for getting back to the basics of faith and cleaning up The Mess in the Messenger By turning away from ministries and ministers of the word preaching that prosperity is the way to salvation The Mess in the Messenger reminds readers of the true love that God provides and the fulfillment that comes through a relationship with him Applying the word of God in a practical and timely manner Chavers delivers a message the world needs to hear Do not buy the hype Get back on the road of righteousness and humility Readers will find themselves armed with Scripture and full of the hope of Jesus Christ and the knowledge that they have the power to recognize The Mess in the Messenger and follow the pure path of the everlasting Lord

[32 Secrets of Birth Chart](#) Saket Shah, 2025-04-07 When I first began studying Vedic astrology I was searching for answers Why do we suffer certain patterns over and over Why do some people walk into our lives like fate only to leave like storms Why are some born with abundance while others carry invisible burdens I didn t just want to know when something would happen I wanted to know why it needed to happen In the sacred silence of the scriptures in the dusty margins of forgotten manuscripts in the heartbeat of my own chart I began to see glimpses of something deeper Hidden patterns Mysterious laws Secrets that weren t taught in mainstream texts but whispered through experience devotion and inner knowing Thus this book was born not from a place of authority but from a place of wonder Each of the 32 secrets in this book is a doorway They come from classical Vedic astrology Jaimini s cryptic brilliance and deeper meditations on karma and consciousness But more than anything they come from years of living through my chart and helping others walk through theirs This is not a technical manual It s a spiritual map A mystical initiation For those who are tired of predictions and hungry for purpose If this book has awakened something in you some memory of who you were and what you came here to heal then it has fulfilled its purpose To the reader who sees
