'The Miracle of Theophilus' by Gautier de Coinci Medieval Institute Publications, 2022-12-31 The legend of Theophilus is a widely disseminated medieval miracle story A good man gives in to Vain Glory sells his soul to the Devil has a terrible crisis of conscience and is saved by the Virgin The story is translated into most European languages and appears in stained glass sculpture and manuscripts Gautier de Coinci writes the longest version of the legend Its colorful details reveal the medieval period's deep fear of hell and the Devil and its high hopes in the Virgin and the Church **The Old English Translation of Bede's Historia Ecclesiastica Gentis Anglorum in its Historical and Cultural Context** Andreas Lemke, 2015 Did King Alfred the Great commission the Old English translation of Bede's Historia Ecclesiastica Gentis Anglorum probably the masterpiece of medieval Anglo Latin Literature as part of his famous program of translation to educate the Anglo Saxons Was the Old English Historia by any chance a political and religious manifesto for the emerging Kingdom of the Anglo Saxons Do we deal with the literary cornerstone of a nascent English identity at a time when the Anglo Saxon kingdoms were threatened by a common enemy the Vikings Andreas Lemke seeks to answer these questions among others in his recent publication He presents us with a unique compendium of interdisciplinary approaches to the subject and sheds new light on the Old English translation of the Historia in a way that will fascinate scholars of Literature Language Philology and History The Complete French Master ... The Twenty-first Edition, in which the Errors of Former Editions are Carefully Corrected Abel BOYER, 1767 **The Old English Version of Bede's Ecclesiastical History of the English People: Early Eng. text soc. org. ser., 95-96** Saint Bede (the Venerable), 1890 *The Works of the British Dramatists ... Selected from the Best Editions, with ... Notes, Biographies, and a Historical Introduction* Sir John Scott Keltie, 1870 *Miracles of the Virgin in Middle English* Adrienne Williams Boyarin, Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Roy Liuzza, Jerome J. McGann, Anne Lake Prescott, Barry V. Qualls, Claire Waters, 2015-09-01 During the Middle Ages Mary was the most powerful of saints and the combination of her humanity and her proximity to the divine captured the medieval imagination Her importance is nowhere more clearly reflected than in the genre of Miracles of the Virgin short narrative accounts of Mary's miraculous intercessory powers These stories tend to fit a basic narrative pattern in which Mary saves a devoted believer from spiritual or physical danger but beneath this surface simplicity the Miracles frequently evoke fine or revealing theological social and cultural distinctions They are remarkably various in tone ranging from the darkly serious to the comically scandalous and many display anti-Semitism to a greater degree or with greater punch than do other medieval genres Mary herself takes on a variety of characteristics appearing as dominant and persuasive more often than she appears as gentle and maternal This volume offers a small but representative sampling of what survives of this literature in the English language The Middle English has been helpfully glossed and annotated and is lightly modernized for ease of reading one particularly challenging story is translated in facing page format The In Context sections provide relevant biblical

passages and medieval versions of the Christian prayers frequently evoked in the miracles additional samples of Marian poetry and medieval illustrations of Marian miracles are also included **Ancient Mysteries Described, Especially the English Miracle Plays, Formded on Apocryphal New Testament Story, Extant Among the Uppublished Manuscripts in the British Museum (etc.)** William Hone,1823 *Ancient Mysteries Described, Especially the English Miracle Plays, Founded on Apocryphal New Testament Story, Extant Among the Unpublished Manuscripts in the British Museum; Including Notices of Eccleicistical Shows, the Festivals of Fools and Asses - the English Boy Bishop - the Descent Into Hell - the Lord Mayor's Show - the Guildhall Giants - Christmas Carols ...* William Hone,1823 **Ancient Mysteries Described, Especially the English Miracle Plays, Founded on Apocryphal New Testament Story, Extant Among the Unpublished Manuscripts in the British Museum** William Hone,1823 Hone s summaries and excerpts from medieval Coventry plays or mysteries in the British Museum Saint Bernard of Clairvaux Bruno S. *Miracles and Wonders in the Middle Ages and Early Modern Period* Albrecht Classen,2025-10-20 Despite the assumption that we live today in a rather rationalist and mechanized world there remain many aspects that neither medicine nor physics can fully explain The Catholic Church continues to pronounce individuals as saints because scientifically confirmed miracles are associated with them If we want to gain a solid understanding of the pre modern history of mentality emotions and everyday culture it proves to be highly revealing to examine what miracles and wonders had meant at that time both in the theological and medical field in the visual arts and literature As a matter of fact people both in the East and in the West have consistently flocked to pilgrimage sites all over the world in the hope that a miracle might happen and solve issues for them The contributors to this volume based on a symposium at the University of Arizona May 2024 approach this critically important topic from many different perspectives taking us from the early Middle Ages to the early modern age examining hagiographical medical literary and alchemical texts discussing both miracles and wonders as relevant themes in the public discourses Both the passage through Inferno and Purgatorio as the crucial pathway toward Paradiso and the experience of women s miraculous conception are identified as deeply impactful for the pre modern world and this both in Christian and Muslim cultures Studying miracles and wonders through a kaleidoscope of different materials and concepts makes it possible to gain a closer understanding of people s mindsets power structures and the debate between medicine and religion These topics were also greatly important in other cultures as several papers on Arabic medieval literature indicate Further pursuing this global issue we recognize easily that the separation line between the Middle Ages and the early modern period is only a modern construct and often not that helpful because the discourse on miracles and wonders has continued and influences even us today **The Broadview Anthology of British Literature: Concise Volume A - Second Edition** Joseph Black,Leonard Conolly,Kate Flint,Isobel Grundy,Don LePan,Roy Liuzza,Jerome J. McGann,Anne Lake Prescott,Barry V. Qualls,Claire Waters,2011-09-08 In all six of its volumes The Broadview Anthology of British Literature presents British

**A Liberal Theology for the Twenty-First Century** Michael J. Langford,2017-03-02 Liberal theology in its typical form represents the attempt to approach religion from a rational perspective without denying or belittling the importance of religious experience and religious commitment Versions of liberal theology can be found in all the great religions This book is primarily concerned with a Christian tradition that goes back to the second century and reached a high point in the seventeenth This tradition includes a method of inquiry which when re evaluated in the light of recent discussions on the nature of rationality and applied to contemporary issues reveals that there are versions of materialism monism and theism that can accord with rationality While liberal theology cannot demonstrate the truth of theism it can present it not only as one of the rational options but as an option that has uniquely attractive characteristics and when the liberal tradition is taken at its best it can support a version of Christianity which continues to refer to God as a transcendent reality and which can continue to support recognizable doctrines of incarnation redemption and Trinity The liberal theology introduced and advanced in this book can be contrasted with many recent radical theologies and could be called liberal orthodoxy Students of philosophy theology and religious studies as well as clergy and interested lay readers will find this an accessible insight into liberal theology and to current debates on materialism atheism and inter faith dialogue
