reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God

The Madness of Epic Debra Hershkowitz, 1998-06-25 Madness plays a vital role in many ancient epics not only do characters go mad but madness also often occupies a central thematic position in the texts In this book Debra Hershkowitz examines from a variety of theoretical angles the representation and poetic function of madness in Greek and Latin epic from Homer through the Flavians including individual chapters devoted to the Iliad and Odyssey Virgil s Aeneid Ovid s Metamorphoses Lucan s Bellum Civile and Statius Thebaid The study also addresses the difficulty of defining madness and discusses how each epic explores this problem in a different way finding its own unique way of conceptualizing madness Epic madness interacts with ancient models of madness but also even more importantly with previous representations of madness in the literary tradition Likewise the reader s response to epic madness is influenced by both ancient and modern views of madness as well as by an awareness of intertextuality *"Everlasting Destruction": 2 Thess.
