Antiauthoritarian Youth Culture in Francoist Spain Louie Dean Valencia-García, 2018-05-17 How did kids hippies and punks challenge a fascist dictatorship and imagine an impossible dream of an inclusive future This book explores the role of youth in shaping a democratic Spain focusing on their urban performances of dissent their consumption of censored literature political literary magazines and comic books and their involvement in a newly developed underground scene After

forty years of dictatorship Madrid became the centre of both a young democracy and a vibrant artistic scene by the early 1980s Louie Dean Valencia Garc a skillfully examines how young Spaniards occupied public plazas subverted Spanish cultural norms and undermined the authoritarian state by participating in a postmodern punk subculture that eventually grew into the Movida Madrileña In doing so he exposes how this antiauthoritarian youth culture reflected a mixture of sexual liberation a rejection of the ideological indoctrination of the dictatorship a reinvention of native Iberian pluralistic traditions and a burgeoning global youth culture that connected the USA Britain France and Spain By analyzing young people s everyday acts of resistance Antiauthoritarian Youth Culture in Francoist Spain offers a fascinating account of Madrid s youth and their role in the transition to the modern Spanish democracy New Ritual Society Gianpiero Vincenzo,2018-07-27 Consumerism has established itself as a dominant lifestyle but the reasons behind this are often unclear This study revisits a large amount of diverse research and argues that consumerism is a powerful ritual machine that can make up for the modern lack of values with new symbols and rituals Consumerism made its claim between the end of the 19th and the beginning of the 20th century when the traditional symbolic world had ended and a new one had not yet emerged Slowly but progressively consumerism begun to develop new symbolic forms and new social rituals becoming the basis for new mimetic behaviours As nationalism has progressively declined consumerism has permeated the entire social fabric Supermarkets and shopping malls must be interpreted in the light of their ritual significance as temples and holy cities of a new symbolic order In the consumeristic era many people are led to think and imagine in consumer terms to identify themselves through consumption rituals The impact of consumerism on culture from literature to art should not be underestimated Many artists have tried to develop their aesthetics by triggering a dialectical or openly critical confrontation with consumerism This book also takes into account the development of violence and the effects of consumerism on childhood and new generations The book contains a preface by the German anthropologist Christoph Wulf and the images illustrating the text are by Belgian artist Michel Couturier *The Second British Empire* Timothy H Parsons,2023-06-14 At its peak the British Empire spanned the world and linked diverse populations in a vast network of exchange that spread people wealth commodities cultures and ideas around the globe By the turn of the twentieth century this empire which made Britain one of the premier global superpowers appeared invincible and eternal This compelling book reveals however that it was actually remarkably fragile Reconciling the humanitarian ideals of liberal British democracy with the inherent authoritarianism of imperial rule required the men and women who ran the empire to portray their non Western subjects as backward and in need of the civilizing benefits of British rule However their lack of administrative manpower and financial resources meant that they had to recruit cooperative local allies to actually govern their colonies Timothy H Parsons provides vivid detail of the experiences of subject peoples to explain how this became increasingly difficult and finally impossible after World War II as Afr **The Stone Roses And The Resurrection of British Pop** John Robb,2012-04-05 The Stone Roses have become folk heroes frozen in
