Book 10 Miracles HC Kurt Jurgensmeier, 2012-08-22 How does God supernaturally reveal Himself This book is a detailed introduction to the complex controversial but vital topic of miracles The topic would be difficult enough but the claims and teaching of charismaticism have made a biblical understanding of miracles even more critical but also more complicated In the course of this Bible study we endeavor to answer such questions as What is a miracle How do we avoid the extremes between anti supernaturalism which claims there are no miracles and super supernaturalism which claims an abundance of them What are the different types of miracles and why is it critical to distinguish them What are the myriad of ways that God has miraculously spoken and which of these can we expect today What is the biblical place and attributes of dreams and visions What is the embarrassing history and alarming dangers of the super supernaturalism at the heart of the charismatic Practicing Affirmation (Foreword by John Piper) Sam Crabtree, 2011-01-19 It happens in marriages movement parent child relationships friendships workplaces and churches Communication falters friendships wane teenagers withdraw marriages fail and bitter rifts sever once strong ties Christian communities are no exception Why do so many of our relationships suffer from alienation indifference and even hostility Author Sam Crabtree believes that often at the heart of these breakdowns is a lack of affirmation He observes in Scripture that God grants mercy to those who refresh others and in life that people tend to be influenced by those who praise them Crabtree shows how a robust God centered affirmation ratio refreshes others and honors God Practicing Affirmation sounds a call to recognize and affirm the character of Christ in others When done well affirmation does not fuel pride in the person but refreshes them and honors God All who are discouraged in relationships will find wisdom and practical insight in this book Where Is the Power?
