The Brooklyn Cyclones Ben Osborne, 2004-04-01 When professional baseball returned to Brooklyn in 2001 fans were jubilant and the media swarmed After losing the Brooklyn Dodgers to California 44 years ago Brooklyn baseball fans could once again claim a team of their own the Cyclones a Class A affiliate of the New York Mets *The Brooklyn Cyclones Hardball Dreams and the New Coney Island* recounts that first season of the Cyclones From the construction of the incredible Keyspan Park at Coney Island to their improbable successes on the field Ben Osborne tells the story of the Cyclones delicate first year of operation We see the story up close and personal through the eyes of two very different young men The first is Anthony Otero who was raised in a Coney Island housing project and loves baseball but has never seen a game in person until the Cyclones land in his neighborhood The second is Brett Kay a young man from California who has never been to New York until he becomes the catcher for the Brooklyn Cyclones From the plans of politicians like Rudy Giuliani and Howard Golden to the poverty of Coney Island's citizens *The Brooklyn Cyclones* reveals the stories behind the headlines to show that the reality of creating a new sports team often involves broken promises and shattered dreams Osborne includes chapters on the Cyclones rivalry with the Staten Island Yankees the Cyclones chances of capturing the New York Penn League title and an epilogue updating Kay's Otero's and the

Cyclones progress through the 2003 season Ultimately Ben Osborne shows how for these two young men the Brooklyn Cyclones created dreams the same way the Brooklyn Dodgers allowed the boys of Flatbush to dream about one day playing in the Big Leagues **Can't Stop Walking** Murphy V. S. Anderson,2021-04-07 Can t Stop Walking Every Walk Must First Begin with a Step Purpose and Direction is a stunning and incisive nonfictional narrative which critiques some of the cultural traditional and societal issues which impacted and challenged the lives of many Liberians especially the youth who suffered bled and died in their ignorance during the Liberian Civil War This is a book uniquely written to bring the readers mentally closer to some information and experiences that may seem unrealistic but true inconceivable or trivia but factual The book reveals the tireless and unwavering efforts made by two friends bound together in one faith and purpose with a desire to change the mindset of youths who were actively involved in a civil war It discusses how these two friends nonviolently challenged the culture tradition and societal elites of a small town by engaging the youth and elders through the Trinity Plan and helped transform a struggling church threatened by dogmas and traditional practices **FROM CARTEL TO CHRIST TO CANNABIS** Mr. C ,Ms. SHnz,2023-10-16 From cartel to Christ to cannabis In that order It will have you reaching deep into your soul And asking yourself if this was me would I have done the same thing You find out that if someone has nothing to lose and everything to gain There is no wrong just right This is one man s story of survival and courage It revolves around the personal experience of the author as he went through several life changing events and adventures Never knowing what awaits him in the end What I did no one lives to tell their story It s so rare I decided it was worth sharing The author takes you with him through everything That happened to him while following his dreams And when it turns into his worse nightmare you will see the decisions he had to make Every word is the true occurrence and events which makes this the author s biography From cartel to Christ to cannabis You can t predict what is going to happen let alone foresee what the end will bring him But sometimes there is no going back You ve become a liability you are requested to come back suddenly it comes down to you or them That s when your survival mode takes over When things go wrong read to find out what happens
