The Orange Fairy Book Andrew Lang, 2012 The Fairy Book Series is further enriched by the addition of this latest volume which is quite as gorgeous as the preceding ones though the author might well be supposed to have exhausted his supply of colors and fairy tales Mr Lang after traveling the world over to collect stories asks why the stories of the remotest people resemble each other Fortunately he answers the question himself Of course in the immeasurable past they have been carried about by conquering races and learned by conquering races from vanquished peoples Slaves carried far from home brought their stories with them into captivity Wanderers travelers shipwrecked men merchants and wives stolen from alien tribes have diffused the stories gipsies and Jews have peddled them about Roman soldiers of many different races moved here and there about the Empire have trafficked in them From the remotest days men have been wanderers and wherever they went their stories accompanied them The Story of the Hero Makowa begins in the good old way once upon a time and the temptation to follow the hero is irresistible even though he seeks a deep black pool where the crocodiles lived He makes giants shrink and claps them into a bag which he carries easily because he increases in size and strength with every encounter with an enemy Perhaps the author intends to point a moral and he certainly adorns the tale with incredible deeds of adventure Ian The Soldier's Son has a wonderful career in his search for the daughters of Grianraig Magic transformation takes place on every page Thus a brown haired youth is changed into a raven and back again to his own self and a beautiful maiden whom the wicked enchanter had turned into a horse is released from the spell through the courage of the soldier's son The Ugly Duckling and The Two Caskets are familiar titles but the sparrows who twittered Ashes ashes are new features as are also the talking doves in The Enchanted Wreath The cruel stepmother figures as usual and her punishment is in proportion to her crime The artist is almost as great a magician as the author and his pictures are so bewitching that even without the colors they would hold one spell bound The Princess Bella Flor a shimmer of beauty silks and gems fills one side of the page and the other elements of the story from the gallant knight on a noble charger to a speckled hen such as may be seen in any farm yard are assembled in the remaining space Mr Lang realizes that children are discerning judges and just to the point of

severity so he is very careful to punish the guilty and reward the good and nearly every tale ends in peace and happiness This book is fully illustrated and annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer **The Orange Fairy Book by Andrew Lang** Andrew Lang, 2017-10-27
The Orange Fairy Book by Andrew Lang *Standard Books* Charles Frederick Tweney, 1915 **Folktales Retold** Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with
