Friendship and Otherness in Lucian's ›Toxaris‹ Laura Bottenberg, 2025-03-17 In Lucian's ›Toxaris

the characters speeches play a performative role as they become their deeds of friendship Between irony and self othering past and present the dialogue negotiates a mixed form of identity by affirming a Hellenocentric position and deconstructing an Athenocentric perspective on Greek culture Eventually both aspects converge as the characters ability to make speeches on friendship displays their mastery of Greekness This book itself a hybrid of commentary and monograph consists of an introduction which contextualises the dialogue in its cultural philosophical and literary background the Greek text with textual critical notes followed by an English translation and a commentary which is organised according to the central themes of the dialogue the representation of friendship and the deconstruction of stereotypes The commentary helps us to better understand how friendship is approached in this dialogue and how the latter relates to the value of friendship in the context of the Roman imperial period Simultaneously it provides an examination of the way in which different voices serious or deriding Greek or Scythian etc are ambiguously entangled in Lucian's dialogue The Embassy, the Ambush, and the Ogre Roberto Morales-Harley, 2024-08-29 This volume presents a sophisticated and intricate examination of the parallels between Sanskrit and Greco Roman literature By means of a philological and literary analysis Morales Harley hypothesizes that Greco Roman literature was known understood and recreated in India Moreover it is argued that the techniques for adapting epic into theater could have been Greco Roman influences in India and that some of the elements adapted within the literary motifs specifically the motifs of the embassy the ambush and the ogre could have been Greco Roman borrowings by Sanskrit authors This book draws on a wide variety of sources including Iliad Phoenix Rhesus and Cyclops Greco Roman as well as Mahabharata The Embassy The Five Nights and The Middle One Sanskrit The result is a well supported argument which presents us with the possibility of cultural exchange between the Greco Roman world and India a possibility which though hypothetical is worth acknowledging Due to its comparative nature this volume will appeal to both Indologists and Classicists including Mahabharata scholars Sanskrit theater scholars and those interested in comparative work with Sanskrit literature It brings an original perspective to the field and provides inspiration for new lines of research **Roman Satire and the Old Comic Tradition** Jennifer L. Ferriss-Hill, 2015-02-26 Quintilian famously claimed that satire was tota nostra or totally ours but this innovative volume demonstrates that many of Roman satire's most distinctive characteristics derived from ancient Greek Old Comedy Jennifer L. Ferriss Hill analyzes the writings of Lucilius Horace and Persius highlighting the features that they crafted on the model of Aristophanes and his fellow poets the authoritative yet compromised author the self-referential discussions of poetics that vacillate between defensive and aggressive the deployment of personal invective in the service of literary polemics and the abiding interest in criticizing individuals types and language itself The first book length study in English on the relationship between Roman satire and Old Comedy Roman Satire and the Old Comic Tradition will appeal to students and researchers in classics comparative literature and English The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English
