The Parenting Adventures:

The Parent Adventure Rodney Wilson, Selma Wilson, Scott McConnell, 2009-01-01 Informed by research that reveals destructive parenting patterns are being handed down through most American families including Christian households The Parent Adventure looks to the church to help break this cycle and teach moms and dads how to prepare their kids for a lifetime with God The problem starts when parents raise children based on their personal experiences growing up instead of using the Bible as the timeless authoritative guide Although seemingly painful at first the parental attitude of letting go must begin intentionally at birth keeping in mind that each child's life is more about knowing God than anything else With this outlook established the future focused mom and dad will move more joyfully through each stage in the adventure of parenting as detailed in the book Knowing God has a lifelong plan for each family member parents and kids will grow closer to each other just as sure as they will grow closer to God

Wild Play David Sobel, 2018-02-02 When David Sobel's children were toddlers he set out to integrate a wide range of nature experiences into their family life play and storytelling Blending his passion as a parent with his professional expertise he created adventures tailored to their developmental stages cultivating empathy with animals in early childhood exploring the woods in middle childhood and devising rites of passage in adolescence This book is Sobel's vivid and moving memoir of their journey and an inspiring guide for other parents who seek to help their children bond with the natural world As we share this family's experiences we observe how wild play in nature hones a sense of wonder provides healthy challenges and nurtures Earth stewardship and we share Sobel's joy as his children Eli and Tara grow into earthbound grounded young adults Publisher's description
