Whether you're just starting out or trying to level up your business, Create Entrepreneurial Habits That Win Daily provides you with the tools to implement daily routines that lead to long-term success. By focusing on the habits that matter most, you'll build the discipline and focus needed to grow your business and achieve your goals. **6**

Secrets to Startup Success John BRADBERRY, 2011-03-20 It takes passion to start a new business. But that same entrepreneurial enthusiasm can also lead you astray. Over six million Americans start businesses every year. That's 11 startups a minute launched by passionate dreamers hoping to transform their lives for the better. But a huge gap exists between the skyrocketing levels of desire and what entrepreneurs actually achieve. The harsh reality is that most new businesses fail within a few years of launch. Why do so few startups make it? And what distinguishes those that do succeed? Entrepreneur consultant and investor John Bradberry set out to discover the answer and came to a surprising conclusion: that the passion that drives and energizes so many founders is also the very thing that leads many of them astray. Filled with compelling real-life stories of both success and failure, this groundbreaking book reveals the key principles entrepreneurs must follow to ensure their big idea is on the right track. In 6 Secrets to Startup Success, readers will learn how to: Convert their passion into economic value with a moneymaking business model; Improve their readiness to launch and lead a new venture; Manage funding and cash flows; Chart a path to breakeven and beyond; Avoid the pitfalls that often accompany unfettered passion; Build the stamina needed to persevere over time. Complete with indispensable tools, including an assessment to gauge a venture's strengths and weaknesses, 6 Secrets to Startup Success will help entrepreneurs everywhere turn their dreams into reality. **How to Identify a Profitable Business Idea: Market Gaps vs. Personal Passion**

Ikechukwu Kelvin Maduemezia, 2025-08-19 Not every idea is worth chasing, but the right one can change your life. How to Identify a Profitable Business Idea helps aspiring entrepreneurs strike the balance between passion and profitability. This book walks you through proven methods to spot market gaps, validate demand, and assess competition before investing time or money. At the same time, it emphasizes aligning your idea with personal strengths and values because success without fulfillment quickly turns hollow. Using practical tools like surveys, MVPs (minimum viable products), and competitive analysis, you'll learn how to test your ideas with real customers. With case studies of businesses that started small but scaled massively, this guide helps you avoid wasted effort and build with confidence. If you've ever wondered, "Is my idea worth pursuing?" this book has your answer. **Get Paid to Do What You Love: The Entrepreneur's Guide to Purpose and Profits** Simon

reinvention when she uprooted herself from London to participate in Stanford's Distinguished Careers Institute for midlife professionals. There she learned to help others recognize when they are languishing, identify a new purpose that matters, and finally make space for transformation. In *Repotting Your Life*, she shares prompts and exercises and gentle humor to guide you through each stage of this journey. The hardest part of repotting can be to notice that what nourished you then is stifling you now. No matter your age or stage of life, you're never done growing. The summit of one adventure is the starting point of the next. Whether you're craving a career move, a change of surroundings, or a new phase of a relationship, *Repotting Your Life* will help you design a future full of fresh possibility where you can truly blossom.

The 5 Habits of Prayerful People
Michael St. Pierre, 2019-04-05
What if prayer could become one of the most rewarding and meaningful aspects of your whole life? What if you could use the skills productive people use to help you pray? Michael St. Pierre, executive director of the Catholic Campus Ministry Association and a productivity expert, shares five habits that you can use to help you gain confidence in your prayer and strengthen your relationship with God. Catholics are taught that prayer is necessary to live their faith, but many sincere Mass goers find it almost impossible to pray consistently. They know that prayer is at the core of a relationship with God, but many still don't have a clue about how to go about integrating prayer into their everyday lives. As a result, their confidence level related to prayer is low. St. Pierre began his own journey to prayer as a young adult, stumbling through the Rosary with uncertainty and frustration. Only when he decided to show up and do his best did he begin to build a consistent habit of prayer. After he started studying human productivity, he realized that some of the same principles could apply to the spiritual life. In his first book, *The 5 Habits of Prayerful People*, St. Pierre shares his unique and practical approach that will teach you how to make prayer part of your everyday life. You will learn how to cultivate the habits of passion and pursuit, presence, preparation, and planning, persistence, and perseverance, pondering. Written in the tone and style of a popular business book, St. Pierre shares inspirational success and instructional failure as he helps readers to stop procrastinating and unlock the doors to a fruitful conversation with God.

Wide-Angle Vision Wayne C. Burkan, 1996-08-30
Praise for *Wide Angle Vision*: In this book, Wayne Burkan shows us that the vantage points from which we view and act can earn us critical advantages if we are willing to stretch our thoughts and practices beyond the edge of conventional thinking. Robert W. Galvin, Chairman of the Executive Committee and former CEO of Motorola, says Wayne Burkan's *Wide Angle Vision* is a very pragmatic and useful guide to dealing with and implementing change. His concept of edge as it relates to customers, employees, and competitors should help many organizations struggling with the rapidly changing marketplace and the endless panaceas being promoted. David R. Stamper, Vice President and General Manager, Hitachi Data Systems Latin American Division, says: "At Southwest Airlines, we redefined air transportation by utilizing edge thinking. Wayne Burkan is offering a flight plan that, if studied, understood, and followed, will improve your bottom line for the long term. If you really want to be on the leading edge for your product or service, this is the place to begin." Howard Putnam, Speaker, author.

and former CEO of Southwest Airlines Wayne Burkan has brought our attention to a great source of potential opportunities for profitable growth if we take his advice and really listen to those challenging customers potential customers small competitors and unhappy employees whom we often want to dismiss as difficult D H Davis President and Chief Operating Officer Rockwell International Corporation Strategically thought provoking It s just what busy leaders need to ensure they are focused on gaining a competitive edge An easy to read wake up call for organizations and managers Wayne Burkan challenges us to confront the perils of tunnel vision and the promise of a wider perspective So simple so clear so right Donald Himelfarb President Thrifty Rent A Car System Inc Conventional business wisdom says to get close to your best customers watch your biggest competitors and reward your model employees This controversial book offers a contrarian viewpoint and introduces a dynamic new way to compete by broadening your focus beyond mainstream thinking to spot the critical opportunities at the edge of your core business Wide Angle Vision opens your eyes to the edge from little guy competitors preparing to take over the market to disgruntled customers and maverick employees whose complaints can lead to great ideas for change Listening to complaining employees pays off That s where the idea for Java r Sun Microsystems successful Internet programming system came from With Wide Angle Vision now you can learn how to use edge groups to sharpen your competitiveness by reducing surprise increasing innovation and satisfying customers Filled with compelling examples from a range of industries and drawing on Wayne Burkan s extensive consulting experience with IBM Ford and others Wide Angle Vision equips you with specific action techniques that can enable you to Anticipate crises before they occur by using splatter vision scenarios and benchmarking Find breakthrough solutions to difficult problems by looking outside your field Create powerful flexible teams that work from edge teams to ideal teams Reduce resistance to organizational change through skillful timing finding perfect change agents and more Reengineer with lower risk and greater efficiency using an effective seven step plan for change Avoid tunnel vision by broadening your perspective to the edges of what s happening in the mainstream In today s rapidly changing marketplace opportunities are all around you Wide Angle Vision gives you the power to look them in the eye and develop the daring skills you need to be a leading and lasting edge competitor
