*I Will Never Leave You* Hugh Prather, Gayle Prather, 2009-10-21 I'm so glad this book was written. It offers extraordinarily wise and practical support for sacredness and commitment in relationships, something we desperately need in these times. Jack Kornfield, author of *A Path with Heart*. What is the key to a successful long-lasting relationship? It all begins with a simple promise: I will never leave you. While most books on relationships tell you why you should leave your partner, here is a refreshing look at the enormous gains that can come from staying. For more than twenty years, Hugh and Gayle Prather have been helping couples build satisfying, permanent, spiritually centered relationships. Based on their experience as counselors and the problems they've solved in their own long marriage, their book shares a message that dares to stand up against the tide of cop-outs and easy answers from most self-proclaimed relationship experts. In this groundbreaking work, the Prathers guide you through the eight mindsets of permanent relationships and give you the strategies you need to solve the specific difficulties most couples face. They speak frankly and very personally about some of the toughest tests of relationships, including infidelity, financial crises, and blended families. Filled with wit, wisdom, and compassion, *I Will Never Leave You* is a well-needed tonic for overcoming the epidemic popularity of separation psychology and instead building lasting, mature, mutually fulfilling relationships that stand the toughest challenge of all real life.

*I Will Never Leave You* Rev. Dee Massengale DD M.Ed MA, 2012-10-08 Surviving Grief is an amazing story of love between one of the Lost Boys of Sudan and his American mom that literally transcends the grave. Having no family of her own, Dr. Massengale repeatedly asked Marial if he would take care of her when she got old. His answer was always the same: I will never leave you. A promise he has kept even after his untimely death. The jaw-dropping accounts of Marial's spirit communication with his mom will make you laugh, while his story on earth will make you cry. To further support the argument of the immortality of the soul, you will find convincing and dramatic paranormal photography throughout the book. A must-read for anyone who has ever asked the question: Where do we go after we die?
