Going Forward Obedient To the Master's Call Book 2 Jacqueline Harris, 2023-08-14 Jacqueline Harris has been blessed to experience the mercy and grace of God throughout her lifetime. She also has learned to never underestimate her experiences and to always trust God's plan. In an inspirational retelling of her life and spiritual journey, Harris begins by detailing the moment she received a phone call that changed her life forever. As she leads others through the final days and moments of her twenty-four-year-old son's life, she discloses how she relied on her faith, the power of prayer, and her church community to lift her up and help her see her son's obedience to the Lord until his final breath. Also included are images of the special things God sent to minister their family after his death, as well as her reflections as she began to work through her grief to see how God's perfect plan manifested to show the way to a new beginning. *Going Forward Obedient to the Master's Call* shares a mother's testimony that reveals how God worked in her life as she faced a devastating loss.

Civilisation withdrew from Egypt and Syria rested for a little space at Constantinople and then passed away to the western climes of Europe From that period these climes have been the grand laboratory in which Civilisation has wrought out refinement in every art and every science and whence it has diffused its benefits over the earth It has taught commerce to plough the waves of every sea with the adventurous keel it has enabled handfuls of disciplined warriors to subdue the mighty armaments of oriental princes and its daring sons have planted its banners amidst the eternal ice of the poles It has cut down the primitive forests of America carried trade into the interior of Africa annihilated time and distance by the aid of steam and now contemplates how to force a passage through Suez and Panama The bounties of Civilisation are at present almost everywhere recognised Nevertheless for centuries has Civilisation established and for centuries will it maintain its headquarters in the great cities of Western Europe and with Civilisation does Vice go hand in hand Amongst these cities there is one in which contrasts of a strange nature exist The most unbounded wealth is the neighbour of the most hideous poverty the most gorgeous pomp is placed in strong relief by the most deplorable squalor the most seducing luxury is only separated by a narrow wall from the most appalling misery The crumbs which fall from the tables of the rich would appear delicious viands to starving millions and yet those millions obtain them not In that city there are in all districts five prominent buildings the church in which the pious pray the gin palace to which the wretched poor resort to drown their sorrows the pawnbroker s where miserable creatures pledge their raiment and their children s raiment even unto the last rag to obtain the means of purchasing food and alas too often intoxicating drink the prison where the victims of a vitiated condition of society expiate the crimes to which they have been driven by starvation and despair and the workhouse to which the destitute the aged and the friendless hasten to lay down their aching heads and die And congregated together in one district of this city in an assemblage of palaces whence emanate by night the delicious sounds of music within whose walls the foot treads upon rich carpets whose sideboards are covered with plate whose cellars contain the choicest nectar of the temperate and torrid zones and whose inmates recline beneath velvet canopies feast at each meal upon the collated produce of four worlds and scarcely have to breathe a wish before they find it gratified Alas how appalling are these contrasts And as if to hide its infamy from the face of heaven this city wears upon its brow an everlasting cloud which even the fresh fan of the morning fails to disperse for a single hour each day And in one delicious spot of that mighty city whose thousand towers point upwards from horizon to horizon as an index of its boundless magnitude stands the dwelling of one before whom all knees bow and towards whose royal footstool none dares approach save with downcast eyes and subdued voice The entire world showers its bounties upon the head of that favoured mortal a nation of millions does homage to the throne whereon that being is exalted The dominion of this personage so supremely blest extends over an empire on which the sun never sets an empire greater than Jenghiz Khan achieved or Mohammed conquered This is the parent of a mighty nation and yet around that parent s seat the children crave for bread To be continue in this ebook *A New Hero (World of Warriors book 1)*
