**Master Harper of Pern** ANNE. MACCAFFREY, 1997 *The Masterharper of Pern Songbook* Tania Opland, Mike Freeman, Anne McCaffrey, 2004-09-04 Sheet music for 17 tracks from the Masterharper of Pern CD Robinton's Whistle Tune The Duty Song The Masterharper's Ball Red Star Passes The Golden Egg of Faranth I II The Plains of Telgar The Question Song Fighting Thread Star Stone Lessa's Ride Nonsuch Fire Lizard Dragonlady Annie McCaffrey's Jig March of the Wings Merelan Includes notes on the notation and an index of diagrams for guitar chord used in the book The response was overwhelming when we released the Masterharper of Pern CD It came mostly in the form of two often repeated questions Can we get sheet music for this and When will you do a recording of Menolly's music We'll get to the second question later but this songbook is the answer to the first We had to make a lot of decisions about the notation We've tried to find the heart of each arrangement leave out the extras which would tend to make it more difficult to read and keep the parts that will be most useful to most people We hope we've at least come close to achieving that goal As for the music of Menolly our second Pern collaboration was released in 2009 and as so many of you hoped it is based on the Harperhall novels Anne expanded some of her lyric snatches as did we and she found among her old files a complete Pern ballad she wrote in 1969 that had never been published You'll find all that on the CD Sunset's Gold available from [www.OplandFreeman.com](http://www.OplandFreeman.com)

**The A to Z of Fantasy Literature** Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
