Smith, 2017-05-30 The Lord then said to Noah Go into the ark you and your whole family because I found you righteous in this generation Genesis 7:1 Closing Doors is a dynamic expose on who what and why bloodlines and generations are robbed of purpose Prophet LaTonya releases insight with prophetic precision that will enlarge the capacity of each reader to possess the inheritance of their families through deliverance healing and wholeness This book will empower you to Identify hidden contraband that hinders generational transfers of blessings Dig for your family's assets Banish family iniquities proclivities Transfer legacy to your generations The Prophetic penmanship of Closing Doors will challenge you into action until manifestation becomes evident Birthrights and blessings are in your divine covenant with God Your life's

paradigm as it relates to bloodlines generations ministry and the nations will shift even as you read the book Are you Repeatedly encountering cyclic setbacks Called to ministry and yet your fruit is temporal Encountering repeated battles of sin structures and demonic strongholds in your family Challenged with your destiny seemingly drifting further away You can expect this book to answer these questions with clarity The call to action is CLOSE the DOOR **AT THE MIDNIGHT HOUR** Alicia Scott,2012-07-16 A Child s Keeper Elizabeth Guinness had her work cut out for her Her precocious young charge quoted morbid statistics twenty four hours a day desperately seeking just one ounce of his father s affection But brilliant scientist Richard Keaton seemed incapable of love especially after the murder that had left Andrew motherless and Richard the prime suspect Though everyone believed Richard to be guilty Liz knew she couldn t blindly trust either the rumors or her attraction to her intensely private employer But she was hell bent on unlocking his heart s demons and reuniting his fractured family until she realized that getting involved just might get her killed **Psychoanalysis and Spiritual Psychology** Rudolf Steiner,1990-08 In these five lectures Steiner lays the foundations for a truly spiritual psychology The first two lectures constitute a critical examination of the principles of Freud and Jung The last three lectures begin with a description of the threefold structure of human consciousness and go on to outline a psychology that takes into account both the soul s hidden powers and the complex connections between psychological and organic bodily processes Robert Sardello co director of the Dallas Institute for Humanities and Culture has contributed an important introduction from the perspective of a practicing psychotherapist **The Midnight Hour; Or, the Fatal Friendship. A Simple Tale** MIDNIGHT HOUR.,1808 [The Power of Prayer](#) ,2025-06-11 There is something unexplainable that happens when a heart cries out to God and heaven leans in to listen Prayer is not just a habit or a duty It is the lifeline between the soul and its Savior It is the holy ground where weak words touch Almighty strength It is the sacred place where the invisible becomes real and the impossible begins to move Prayer is where burdens are laid down and peace is picked up It is where confusion gives way to clarity It is where wounds begin to heal not because we fix them but because we finally give them to the One who can In prayer we trade our fear for His courage We exchange our sorrow for His joy We offer our small faith in return for His great power Every page of Scripture echoes the truth that God hears God answers God moves when His people pray Elijah called down fire Hannah poured out her soul through tears Daniel knelt to pray even when it was forbidden Jesus wept and prayed in Gethsemane before facing the cross The Word of God keeps proving that prayer is not a last resort It is the first and strongest move of faith If you have ever wondered if your prayers matter they do If you have questioned whether your voice is heard it is If you have doubted whether heaven moves for someone like you this book was written for you The power of prayer is not in perfect words It is not in polished faith It is in a willing heart that dares to speak to the God who listens The same power that met saints of old still waits to meet you One person One prayer One God who never stops answering
