between individuals of those businesses and organisations is more important than ever. With the bounds of communication restrictions abandoned through technological advances we can now see and hear anyone across any manner of virtual platforms anywhere around the globe and with a greater understanding of the underlying dynamics of human interaction unprecedented pressure has been thrust upon the individual or individuals who often enable these dynamic interactions the facilitator. Many of us have at one time or other been responsible for a meeting whether between a small number of individuals or an entire organisation of hundreds or possibly thousands of businessmen and women. Or perhaps we've had to be the mediator in a family dispute closer to home or managed a discussion between two feuding friends or colleagues. One way or another chances are all of us have been a facilitator at some point in our lives. With the ever growing demands placed on facilitators this book delivers a methodical and structured approach to facilitation. This book is the definitive guide to instruct and assist facilitators both new and experienced with a set of guidelines and underlying theory that will benefit any facilitator whether as a mediator between two individuals single handedly facilitating a group of 100 or working as part of a facilitation team in a multinational corporation. The first part of the book develops the core basic skills of those new to the art of facilitating. There are many examples and exercises to show the reader how to apply them in different situations. The second part of the book is for more experienced facilitators as it focuses on more advanced skills and tackling difficult situations. Specific tools and techniques are illustrated for the reader. Essentially this book is aimed at developing and mastering the art of facilitation. Facilitation is the art of getting the best out of groups of people to brainstorm solve problems and gain consensus. Based on 30 years experience of the author and running multiple facilitation training courses across the globe this book is aimed at upskilling people managers and leaders to drive change and consensus with groups through running workshops and meetings.

VisuaLeadership Todd Charches, 2020-05-12 VisuaLeadership noun The art and science of applying visual thinking and visual communication tools tips and techniques in order to turn your vision into reality. If a picture is worth a thousand words and finding the right words takes time and time is money then wouldn't it follow that business leaders could make more money in less time if they simply took a more visual approach to how they manage and lead. Okay it's not quite that simple but VisuaLeadership will forever change the way you think and communicate by showing how you can quickly and easily leverage the power of visual imagery mental models metaphor analogy storytelling and humor to help you take your game to a whole new level. The French novelist Marcel Proust famously wrote that The real voyage of discovery consists not in seeking new lands but in seeing with new eyes. So if your vision is to become a better communicator and presenter a more innovative thinker a more productive performer a more efficient manager a more effective coach or a more visionary and inspirational leader then this exciting new book will open your mind's eye to a whole new world. The world of VisuaLeadership. Have you added visual communication to your leadership toolbox. According to Todd Charches if you haven't you're missing out on a powerful tool to capture attention aid comprehension and enable your team members to

retain the information you need them to use Packed with examples VisuaLeadership will help you develop this skill so that you can become a better communicator innovator and leader Daniel H Pink author of When and Drive The most effective communicators and leaders use the power of story to influence and inspire action In VisuaLeadership Cherches demonstrates how every role can express their ideas through the use of visual imagery and visual language This book will help anyone discover how to become a visual leader Nancy Duarte CEO and bestselling author I always say that what got you here won't get you there To help you get there executive coach Todd Cherches in his wonderful new book VisuaLeadership demonstrates how we can all leverage the power of visual thinking to envision and to achieve a more successful future Marshall Goldsmith the world's 1 Leadership Thinker and Executive Coach
